BEST MEDICINE IN THE WORLD FOR COLIC AND DIARRHOEA

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the twenty-five cent size 'Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man.' LONG LIVE THE KING

is the popular cry throughout European countries; while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Ryder Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by W. P. McMillan Druggist. 50c \$1.00. Trial bottle free.

THE CHARMING WOMAN

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed by W. P. throughout. The parade formed between ten and eleven o'clock and marched to the grove where the days exercises were held. The flag drill, by 20 little girls, was a feature that was highly enjoyed by all. After dinner Hon. S. E. Notson, of Heppner, delivered an able address, that was entertaining and many expressed the belief that it was one of the best addresses Mr. Notson had ever delivered. The program consisting of songs, recitation and music was completed about three o'clock when the sports were started. Miss Sylvia Booher took the prize of \$2.50 in the lady's nail driving contest, driving 15 nails in one minute.

The program as published was carried out with the exception of the fat mans race and the bucking horse contest. Ernest Thornburg winning the sack race. Howard Lane the free for all men's foot race. In the mule race but four mules could be secured and the judges decided the race was not fairly won and made an even division of the prize among the riders or run the race over. Some of the riders refused to do either and the race was declared off. In the free for all running race two of the Parker horses and a horse owned by James Allyn were entered. The Allyn horse, Spot, ridden by Joe White won first prize and the Parker horse second. Five were entered for the pony race which was won by a horse entered and ridden by Harrison Flowers. The nail driving contest in the grove was such an enjoyable event that it was decided to have another one in the evening in front of Leach Bro's store. Sixteen ladies took part in this contest and prizes were awarded as follows. Mrs. Thos. Lee, 16 nails, 1st prize \$2.50; Mrs. N. S. Phelps, 14 nails, 2d prize, \$1.50; Miss Lena Waid, 12 nails, 3rd prize \$1. The pavillion dance and fireworks in the evening attracted a

large crowd and everyone seemed to enjoy themselves, many asserting that it was the most enjoyable celebration ever held in Lexington.
