NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

CHAFF FROM THE STRAW STACK

By The Wind Stacker

It is better to live in the foggy present than the misty past.

A summer girl's idea of economy is to make one hammock do for two.

There is no place like home. That is probably why so many men spend their evenings up town.

The hateful woman, if she can say nothing else mean against you, will add ten years more to your age.

If there is anything more disgusting on the face of the earth than a hypocrit, we would like to know what it is.

An exchange says:—"There are lots of hard money men in that town just now—men who are hard to get money from.

A California woman whose husband eloped with the cook says everything will be forgiven if he will only bring back the cook,

"If you can't take a joke, don't give one". If you can't read a joke from the "Chaff" column just put us next. We don't want to hurt any sensitive person.

A Heppner lady rubbed limburger cheese on her sleeping husband's mustache and he spent half a day crawling around under the house and exploring the garrett in search of something dead.

An Eastern professor says the people of this country are working themselves to death. Has he ever looked around when a circus parade took place.

Girls seldom marry the young man who give them presents and feed them on ice cream, for the good reason that when the girls are ready to marry, the young men are broke.

A bachelor upon reading that two lovers will sit up all evening with only one chair in the room, said it could not be done unless one of them sat on the floor. Such ignorance is painful.

An Eastern exchange says; A woman boarded one of the smoking cars, paid her fare and then deliberately lighted a cigar and began smoking. A passenger objected and the conductor insisted that she must either stop smoking or leave the car. The next day superintendent of the road reproved the conducted and issued a general order, that woman have exactly the same rights as men in this matter, no more nor less, and that it was their privilege to smoke in the smoking cars without being molested, which seems to be good sound judgment.

Remedy for Diarrhoea, Never Known to Fail

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world."—S. Jemison, Spring Grove, York County, Pa. This remedy is for sale by W. P. McMillan's Drug Store.

HAD AN AWFUL TIME

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam. H. Gwin, Concord Ga. For sale by W. P. McMillan's Drug Store.
