OREGON BUILDING ACTIVITIES

SURPASS ALL RECORDS

Both city and farm real estate is in demand all over Oregon, but it is hoped there will be no stiff advance in price which will deter the thousands of colonists bound this way to find a home in Oregon.

Reports received from many of the cities and towns throughout Oregon indicate enormous building activities both within their limits and throughout the surrounding country, and there is every assurance of a very active and prosperous fall and winter.

A report comes from Chicago that the Trans continental Passenger Association will never again make colonist rates after those now in affect and to continue until October 31st, so that the people of Oregon should make the most of the present opportunity.

The prominent citizens of New York composing the Brooklyn League went away delighted with Oregon.

All of the 400,000 leaflets advertising the low rates to Oregon will be in circulation before the close of this week, a record in advertising never before excelled in the United States.

Secretary Taft's visit to Oregon is attracting state-wide attention. All will be welcome to hear his address at

the Armory, Friday evening, Sept. 6th at 8 o'clock P. M. where there is room for 6,000 people. His audience promises to be the largest in recent years.

Oregon sent a magnificent delegation to the National Irrigation Congress at Sacramento, California, led by Governor Chamberlain, who is president of the Congress, and many of them will stop to attend the Oregon Irrigation meeting at Grants Pass, September 10th, 11th, and 12th.

Mothers with little children need no longer fear cough, colds or whooping cough. Bee Laxative Cough Syrup tastes good. It works off the cold through the bowels, cuts the phlegm, clears the head. For young and old. Guaranteed. Secure a bottle at once. Sold by W. P. McMillan.

\$25.00 REWARD

I will pay a reward of \$25.00 for information leading to the arrest and conviction of any person or persons unlawfully entering my blacksmith shop.

Attack of Diarrhoea Cured by One Dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy

I was so weak from an attack of diarrhoea that could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days without relief. I heartily recommend this remedy as being the best to my knowledge for bowel complaints.—R. G. Stewart, of the firm of Stewart & Bros., Greenville, Ala. For sale by W. P. McMillan's drug store.
