NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

ALL ON THE MAP

Brother Thomas, of the Lexington Wheatfield, calls the attention of the Heppner Gazette to the fact that the County Court of Morrow recently appropriated \$250 for the purpose of paying one-half of the expense of issuing a booklet about Morrow County, the Heppner Commercial club to pay an equal amount, and Thomss says the book could be printed for \$250, and that it practically only treats of Heppner.

We do not know anything about the facts of the case other than what the Wheatfield says' but on general principles we do not believe the county judge would sanction the expenditure of a cent of county funds for the purpose of advertising the county unless it was at least nine-tenths for his own town. Judge Ayers is not built that way. He scarcely knows there are such places as Ione, Lexington, Irrigon and Castle Rock, except about election times. But he will, thank the Lord, find out that we are on the map, and have voters, when another election rolls around.

Morrow is a good county, has some good towns, and lots of good, wide-awake people, and we ought to pull together, and as a rule do. The papers of the county are not hide-bound.

They all work for the county as a whole. The two Heppner papers and those of Ione, Lexington and Irrigon gives lots of space each week to the county as a whole, and we are all proud of anything that helps the county no matter whether it is in our town or some other part of the community.

The trouble is not with the newspapers. It is with a few old mossbacks who ought to have been dead twenty years ago, but who still linger on the stage of action to gather more moss for themselves and to hold the balance of the county back.—Irrigon, Irrigator.

LOCAL NEWS

"How did I look when you proposed to me?"

"You looked as though you were taking your first ride in an automobile."

Prosperity is here, but many a poor man is forgotten and won't have turkey on Thanksgiving, unless he goes to meet the good times by "doing" something.

Santa Claus will be interested to learn that the company recently organized to manufacture tablets of condensed wines and whisky promises to have its product on the market by Christmas.

Don't worry about your kidneys when you can obtain 30 days' treatment of Pineules for \$1.00. These little globules bring relief in the first dose. Backache, Lumbago and Rheumatism yield quickly. If not satisfied your money refunded. This is a fair offer you can't lose. Sold by W. P. McMillan.

So many people have called on a woman since it was rumored that she intended to give a party, that she has been compelled to trim a clothes basket with ribbon, and hang it in the hall for a card basket.

The young men of Wayback in Kansas have organized an anti-tea drinking club, and one rule is, that lips that sip tea shall never sip ambrosial nectar from theirs. O, Carrie, see what your little hatchet has done.

To cure a cold first move the bowels. Bees Laxative Cough Syrup acts gently on the bowels, drives out the cold, clear the head. It's pleasant to take and mothers highly recommend it for colds, croup and whooping cough. Equally good for young and old. Sold by W. P. McMillan.

The haughty hen sticks up her nose and proudly walks away, and though we coax and wheedle her she still declines to lay. We feed her cracklings; meat and grain, ground oyster shells and such, but still she hangs onto her eggs with a puissant clutch. Why is it when eggs are cheap the hens work overtime, but choose to take a rest just when the prices climb? Why is it things we want the worse are always scarce and high? When we are needing water most why do the wells go dry? Why is it gold and precious stones are always hard to find? In granting life's precious gifts why are the fates unkind?
