LAME BACK

This is an ailment for which Chamberlain's Pain Balm has proven especially valuable. In almost every instance it affords prompt and permanent relief. Mr. Luke LaGrange of Orange, Mich., says of it: "After using a plaster and other remedies for three weeks for a bad lame back, I purchased a bottle of Chamberlain's Pain Balm, and two applications effected a cure." For sale by W. P. McMillan Druggist.

LEXINGTON

An incorporated town with a population of 350, is located on the Heppner branch of the O. R. & N., thirty-five miles from the main line, on the most beautiful spot in the fertile valley of Willow Creek. Lexington has an excellent graded school, two churches, a splendid water system, electric lights, creamery, flouring mill, good hotel, two general merchandise stores, drug store, two saloons, two blacksmith and repair shops, lumber and wood yard, large grain warehouses, barber shop, bank, livery stables, meat market, newspaper, numerous secret societies and a number of good substantial business blocks and beautiful residences. Lexington is the natural marketing point for a large portion of Morrow County's wheat crops, and the surrounding country is rapidly gaining prestige as a dairying community.

Lexington's greatest need is:

THE TOUCH THAT HEALS

is the touch of Bucklin's Arnica Salve. It's the happiest combination of arnica flowers and healing balms ever com-

pounded. No matter how old the sore or ulcer is, this Salve will cure it. For burns, scalds, cut wounds or piles, it's an absolute cure. Guaranteed by W. P. McMillan druggist, 25c

The letter R at the head of all prescription is derived from the Latin recipe. The imperative meaning "take." The little 'd' over the tail of the R is a symbol of Jove the Latin God Jupiter, and invests the writer with his authority by the power of Jupiter. Therefore the sign properly translated means: "By Jupiter you take this."

LOST AND FOUND

Lost, between 9.30 P. M., yesterday and noon to-day, a billious attack, with nausea and sick headache. This loss was occasioned by finding at W. P. McMillan's drug store a box of Dr. King's New Life Pills, the guaranteed cure for billiousness, malaria and jaundice. 25c.

Three things to love—the wise, the virtuous and the innocent.

Three things for which to wish—health, friends and contentment.

Three things to admire—dignity, gracefulness and intellectual power.

Three things to attain—goodness of heart, integrity of purpose and cheerfulness of disposition.—Leadership.

A good hardworking cow should have sixty days' rest before starting the fresh period, says the Farmer's Advocate. Many cows will keep up a good flow until a very few days before calving, but it is a poor plan to let them do this. The ones who do this are the most persistent milkers, the ones that most need a good long rest. They will more than make up for lost time when they freshen again.
