Quite a number of Mosierites spent last Saturday in Hood River.

The first-class guaranteed dental work, go to Arnold & Rupp, Hood River.

Jas. McGregor arrived last Friday evening from British Columbia and will spend some time here visiting his son, J. A.

Mrs. Fomeroy and two children, of Palmer, Ind., have been visiting this week with B. F. Reeves and family.

Mrs. D. P. Decker, after visiting several months with her parents, Mr. and Mrs. Geo. Wood, left on Sunday for home near Oakland, Cal.

Mrs. Robert Ross and two children, of Portland, spent Sunday in town with her husband, returning home Monday morning.

J. C. Brooks of Vancouver, formerly of the Bulletin force, came up Saturday night and attended the dance given in Stroup's Hall. He returned home Sunday afternoon.

D. D. Hall, formerly of Mosier, who has been working on the Mt. Hood railroad extension for several months, came up from Hood River last Saturday night and spent Sunday in town.

We call attention to this week to the advertisement of Arnold & Rupp, two enterprising dentists of Hood River. This firm agree to pay car fare for all Mosier patrons whose dental work amounts to five dollars or over. Give them a call.

E. T. Johnson, of Portland, spent last Sunday in town. He was looking for men to let a contract to for clearing some of his fruit land near town. Mr. Johnson has just finished the contract of grading the extension of the Mt. Hood railroad.

Mrs. Christian Wyss and her daughter, Miss Josephine Nickelsen, went to Hood River Sunday to spend the week with relatives. Miss Nickelsen is suffering with inflammatory rheumatism and is under the doctor's care.

E. L. Howe and wife returned Tuesday from a visit at Portland. They were accompanied by Mrs. F. S. Shaler, of Los Angeles, and Mr. Walter Duncan, of New York City, who are spending the week with the at Lehoua.

George Chaubert is one of the few successful Nimrods in this neck of the woods. He had on exhibition, Wednesday, a fine specimen of the Rainbow trout which he caught the day before in the west fork of Hood River. The fish measured 32 inches in length and dressed nine and one-half pounds. George said it took him an hour and a half to land it. The sight of this fine "bird" made us want to shut up shop at once and go fishing.

**Prune Packers Wanted.**  
Those desiring to pack prunes will apply at once to  
J. M. CARROLL,  
Mngr. Fruit Growers' Ass'n.  
(Packing will commence about August 19.)

W. G. Wyne, of Sac City, Iowa, dropped into Mosier last Monday evening and surprised his nephews, Wm. Davis, an old resident here. Mr. Wyne is on a tour of the Pacific Northwest and will remain here a week or so and will then go on to Long Beach, Cal., to spend the winter.

There is a good opening in Mosier for a shoe and harness repairer. Inquiries are made almost daily for someone to do this work. Any person interested in this line will find it to his advantage to investigate personally, or at least the Bulletin office, enclosing a 2-cent stamp for reply.

A feature of the Mosier of the Alex Stewart store of general merchandise, tomorrow, will be an auction. Any article in stock may be called for and it will be sold to the highest bidder. One Studebaker farm wagon and one top buggy will be auctioned off. Here is a chance to get things at your own price. Be sure and attend tomorrow's sale, as it will mean dollars saved to you.

We had the pleasure this week of an office call from Mr. and Mrs. C. J. Littlepage and daughter, Ruth, whose home is at Grand View; one of Mosier's fine "suburbs." Before leaving they presented us with some fine venison steak which Mr. Littlepage brought home from a recent hunting trip into the mountains back of Cascade Locks. The meat was exceedingly fat, tender and juicy and "hit the right spot." Several hunting and fishing parties are being made up for the coming month and much enjoyment is anticipated, as fish and game are plentiful this year.

We understand that Carl Bowman had a narrow escape from serious injury the other evening, while coming home from Hood River where he went to purchase a horse and buggy. Everything went along nicely and Carl was congratulating himself on the possession of such a fine horse while the lines of that "beautiful" poem were no doubt running thru his mind:

See how he keeps a-chickin',  
He's gentle as a chicken  
An' nadder thinks ob kickin'—

when the unexpected happened and the boss demonstrated his ability to kick high-wide-and-crooked all at once, demolishing the buggy, breaking the harness and putting a crimp in Carl's leg with the cork of his shoe which caused him to limp somewhat.

### BASKET SUPPER.

An entertainment and basket supper will be given tomorrow night at 8 o'clock, by the school children, at Oak Knoll school house. The public generally is most cordially invited to attend. A cartoon advertising this event may be seen in the window of the meat market, and we will state that if the artist is the teacher of the Oak Knoll school, she has missed her calling, even tho she be a mighty good teacher, for her crayon work is of a high quality and would create favorable comment from those who know what constitutes good cartoon work.

We will remark in passing, what has been said before in these columns, and what every newspaper makes a rule, that communications for this paper must be signed by the writer, or we cannot publish them. If the writer requests, we will omit the name from the printed article. In this case, as the notice was of general interest, we will skip-step our rule and give it publicity.

The Misses Eunice Gardner and Grace Carter, of Rockfield, Ind., visited a few days this week and last with their uncle, A. M. Roop, leaving on Tuesday for Portland and Seattle.

John Carroll, of Mosier Fruit Growers' Union, was in the city Saturday on business. Mr. Carroll says that while there is the usual shortage in the apple crop at Mosier, the prune crop is good and the prices the best in a number of years. The crop is being handled by the Union, which expects to ship between ten and twelve cars. They are being packed and shipped to Eastern markets. Those who have old prune orchards in Mosier feel pretty satisfied with them.—Hood River Glacier.

### STURGES RIDGE

Everything moving smoothly on the Ridge.

Mrs. Carl Bowman is doing as well as can be expected, after being as sick as she was. Mrs. V. C. Young certainly is a friend in need and did all in her power to assist them in their sickness. Other neighbors were also very kind.

N. P. has at last got the balers at work and the neighbors are hauling hay away as fast as it is made.

G. W. Grose and family spent last Sunday afternoon at On-Top Ranch.

Messrs. Leffort and Proctor, with their families, spent Sunday at Mr. Leonard's.

The breeze is soft and balmy and all nature seems to smile on the Ridge.

A gentleman from Oklahoma visited On-Top Ranch Tuesday and was very much pleased with the Ridge. Come again.

### Ladies Aid Meet.

The Ladies' Aid Society enjoyed a very pleasant "trolley" ride last Wednesday afternoon to Grand View, where they met with Mrs. Clarence Dunsmore in their regular meeting. Mrs. Amos Root guided the "Alderale "car." Mrs. M. H. Craft the "Crafty runabout." Mrs. A. M. Roop the Cozy Home "car," and Mrs. Richard Evans the "Evandell "motor." To say that the ladies enjoyed the ride to and from Mrs. Dunsmore's expresses it very mildly, as the road is in perfect condition, thanks to our worthy road supervisor, Mr. E. L. Root, and the view most magnificent. "Grand View" is certainly the proper name for those beautiful homes.

This not being a business meeting, the ladies went immediately to work on things for the bazaar, which is progressing very well under the efficient management of the chairman, Mrs. J. K. McGregor.

Mrs. Littlepage was present as a guest of the meeting and was very cordially welcomed as a member.

"Aunt Huldah" being left at home, Mrs. Roop read a very interesting article on temperance. After an hour or so of hard work Mrs. Dunsmore, thinking the ladies looked fatigued, served delicious ice cream and cake, which so revived each member that they went to work again with renewed vigor, departing for their various homes about five o'clock declaring they had spent one of the most pleasant afternoons in the history of the Society.

The place of the next regular meeting will be announced thru the Bulletin next week.

To My Friends.  
I take this occasion to express my great appreciation of the many acts of kindness and the assistance rendered to me during the period when the life of my beloved wife was in grave peril. To skillful medical attention and loving care of friends am I indebted for blessings of which I was so nearly deprived.

CARL BOWMAN.

### READ THIS.

In accordance with the plans adopted at the publicity meeting last Wednesday it was decided to begin the community advertising campaign by having a photographer come out and take pictures of different localities that would be suitable for use in the book on Mosier which the O. R. & N. Co. will publish. All those who know of such localities, please call at the Bulletin office at once, so that they may be listed.
