Local Apple Record

With the announcement of the prices which Steinhardt & Kelley paid the Hood River Apple Growers' Union for its product this year, a new record price for apples becomes known and the Hood River apple leads the world in the price which the grower gets for his fruit. At a meeting of the directors of the Union Saturday, it was decided to give out the prices which are record breakers for not only the fancy grades purchased by the New York firm but for the choice apples which were purchased by Page & Son of Portland.

The fancy Spitzenbergs which packed 72 to the box and larger were purchased for \$3.25 with the smaller proportionately high priced Page & Son took the choice grade Spitz at \$1.75 which is a great advance over former prices.

The fancy Newtowns went to New York at \$2.40 for the 4-tier and larger sizes. This same grade brought \$2.25 last year.

The choice Newtowns brought the same figure as the Spitz, \$1.75. The fancy Johnathans brought \$2.00 a box while the choice sold to Page & Son at \$1.75. Fancy Baldwins bring \$1.50 and Steinhardt & Kelley also took the choice grade of Baldwins at \$1.50. The fancy Orleays brought \$2.25.

Building

Few people have had the opportunity to witness as rapid a growth in a town as we here in Mosier are seeing at the present, and few of us realize how much building is going on in and around the town of Mosier. At the present time there are fourteen buildings in course of construction and we hear complaints of the shortage of carpenters every day, making it impossible to start any more building until more workmen are available. Besides these buildings directly in the town there are a good many buildings going up in the country, but it is impossible to tell just what the number of these buildings are as some one starts to make an improvement of some kind every few days. We are promised a new depot of some kind in the near future and the prospects of a new wharf is by no means discouraging.

Everything points to a great deal of clearing this fall and winter and reports of general improvement activity are constantly coming to our notice. There is no doubt but that we will soon have a small city in the beautiful Mosier Valley.

Brilliant Social Function

Mrs. J. Howard Porter was hostess to a very enjoyable dinner party, given to the members to the Ladies Aid Society last Wednesday. Covers were laid for eighteen. Several members were unable to attend. Her home was beautifully decorated with Oregon grape and autumn leaves.

After dinner the Society held a very pleasant, profitable meeting. Those present were Mesdames Forsberg, Cobb, Jno. Evans, Dunsmore, Lelliot, Robinson, Booth, McGregor, Ernest Evans, Dick Evans, Stark, Akers, Fraederick, Marsh, McClure, Roop and Winegar.

The ladies departed at a late

hour declaring they had enjoyed one of the pleasantest meetings in the history of the Society.

There will be a special meeting held at Mrs. Cobb's next Wednesday, October 27, at 2 p. m. in order to hasten some work they have on hand. All members are requested to be present and all friends who are interested in the work are cordially invited. This being a special meeting no refreshment will be served.

Ladies' Aid Reception

A most delightful afternoon was spent at the home of Mrs. David Robinson on Thursday of last week, when a farewell reception was given to Mrs. Fraedericks, Mrs. Craft, Miss Robinson and Miss James, by the Ladies' Aid Society. Each of the four ladies, who expect to leave Mosier soon, was presented with a silver souvenir spoon.

A poem composed for the occasion by the president of the society, Mrs. Akers, was sung with much expression by Mrs. Porter, who also gave two other selections in her usual delightful manner.

The scientific game of "Funn-duffer" was played, after which dainty refreshments were served and farewells said. The ladies present were: Mesdames Akers, Bothfor, Craft, Cobb, Evans, Fraedericks, Forsberg, Haacke, Hunter, Kibbee, Littlepage, Mid-dleswart, McGregor, Porter, Roop, Robinson, Stewart, Stur-gress; the Misses Jones and Robinson.

IF YOU MUST

Carry your funds with you do not let it be in the shape of actual cash, unless positively necessary. One of our customers was held up not many months ago in a near by city and relieved of a considerable amount of money which he was carrying on his person, contrary to the advice of his banker. He had never been robbed and of course thought he never would be.

A better plan would be to deposit your money in the MOSIER VALLEY BANK and in your local business transactions use personal checks. If traveling take along a Letter of Credit, upon which you can draw money as needed at any bank, anywhere, without cost and without identification.

If everybody would avoid, so far as possible, carrying actual cash then pickpockets and hold-up men would be compelled to seek other employment.
