Mosier is having her share of "the beautiful," the snowfall being about two feet since last Saturday. Mosier was more fortunate than many places where the snow was accompanied by driving winds. Also our "car service" was not put out of commission, as it was in Portland and other places—people here walking, as usual. The main line of the O. R. & N. was kept open by the snow plow, which allowed the running of trains, though most of them have been behind time.

Card of Thanks.

The Ladies' Aid Society desire to express their appreciation and gratitude to all who so generously assisted, both in work and donations, in helping to make their bazaar the success it was. The proceeds as counted at first, were \$143.76; but since that count more money has been turned in which will bring the sales up to something over \$150. The money has been turned over to the treasurer and placed in the bank. As there has been no action taken whatever, in regard to the use of the money, it is impossible to say, at this time, what disposition will be made of it, except that it will be used for some good cause, which will be decided by the ladies of the Society. Owing to the busy Christmas season, there will be no more meeting of the Society until after the Holidays.

Commercial Club Elects Officers.

At the annual meeting of the Commercial Club, held in Lamb's fall last Monday night, the following officers were elected for the ensuing year: President, C. A. McCargar; Vice-Pres., J. N. Mosier; Secretary, Dr. Robinson; Financial Sec. and Treas., R. M. Ross. Directors: C. A. McCargar, J. N. Mosier, Geo. Chamberlain and C. L. McKenna.

The subject of changing the name of the club to "Mosier Hills Commercial Club" was discussed at length, pro and con, and communications were read from Mr. Huxley, of Hood River, Wm. McMurray and Mr. Whitney, of Portland, and commented upon. When the vote was taken it was found that the majority of the members present were in favor of retaining the present name of the club, the ballot being 7 to 5. "The Commercial Club of Mosier Valley" will continue its good work and, by means of the Mosier Booklet, which will soon be off the press and ready for distribution, and with the hearty cooperation of the Mosier Fruit Association and the Mosier public generally, will convince the world that MOSIER is on the map.

School Children Donate.

Shortly before Thanksgiving the pupils of the Mosier school, in response to an appeal from the Boys' and Girls' Aid Society of Oregon, at Portland, sent a box of things, including wearing apparel, provisions, toys, etc., to the inmates of the Institution. The box was received in good time and we take pleasure in printing the acknowledgment of same, as expressed in a letter from the superintendent of the Aid Society to Mrs. Gove. Each pupil who contributed to the box, no matter how small the donation, will feel, on reading the following letter, that he or she has added something to the happiness of these little unfortunates, and in so doing will feel happy over it. As Mr. Gardner, in his letter, well says, these little acts of giving, and sometimes, self sacrifice, will teach the children to be generous and charitable toward others less fortunate than they. Mr. Gardner's letter follows: Portland, Ore., Dec. 6, 1909. Mrs. C. E. Gove, 417th, Mosier Public School, Mosier, Oregon.

Dear Madam: We are in receipt of your valued favor of the 3rd instant, advising us of the shipment of box from your school, for which, on behalf of the Board of Directors of this Institution and the children under my care, I beg to thank you.

These donations from the public schools of the State are of immense benefit to this Institution and I think I am not wrong when I say they are of benefit to the children of our public schools, as it certainly teaches them the lesson of charity, and I think such a lesson is one of the best studies given the children of our schools. It is certain they are of great benefit to the children who are not in position to help themselves, and it is their misfortune, not their fault, they are dependents; therefore, let the good work go on and, as year by year goes by, I trust their interest in charitable work will increase so they may become men and women whose hearts will be always softened toward those who are in distress.

Again thanking you, and with kind regards, I remain, Very truly yours, W. T. GARDNER, Superintendent.

The school will give a Box Social in Lamb's Hall on the night of Dec. 10. Several dolls will be auctioned off and prizes will be given to highest bidders on dolls.

"An honest man's the noblest work of God," so 'tis said, and honest men bob up in very unexpected places at times, restoring confidence in mankind. Comes now one Hindoo, a brother, by the way, of the gentleman who buncoed the business men of The Dalles so slickly last Spring and who now languishes behind the bars in that city. In a letter written to A. Stewart recently, this "honest" Hindoo encloses fifty cents in stamps to pay for a pair of socks which he bought and claims were not put on the bill. Whether the Hindoo has anything "up his sleeve" or not remains to be seen, but it is refreshing anyhow, and no doubt surprising to Mr. Stewart, to know that the honorable gentleman's conscience forbade his keeping an article that he had not paid for. Possibly Mr. Stewart's pleasure might have been greater if Mr. Hindoo had kept the fifty cents a little longer and made him a Christmas present of it. Or mayhap he would prize the socks more highly, especially after having been worn by an "honest" man.
