Mrs. C. Weinel and child arrived in Mosier last Saturday night from St. Louis, joining her husband, who recently purchased a piece of the Duncan tract of apple land on the ridge southwest of town.

Mrs. W. B. Carr arrived last Monday from Cooks, Wash., and will spend the winter here with her father, D. C. Napper. Miss Lela Carr accompanied her, returning home the same day by boat.

Rev. Frank B. Titus, of Springfield, Ore., held services in the Christian Church three evenings this week, with a view to taking up the work here as a pastor. Mr. Titus is an able and interesting speaker.

Mrs. Ada Wallace-Unruh, president of the Women's Christian Temperance Union of Oregon, will address the people of Mosier next Sunday at the Christian Church, at 11:30 a. m., and 7:30 p. m. Everybody cordially invited. Also Mrs. Clara G. Esson, State Bible School Superintendent; will address the Bible School in the morning.

In another column will be found a notice of the Mosier Horticultural Society, announcing an all day meeting of the society to be held on Dec. 27th. At this meeting much valuable information will be given by men of practical experience in fruit growing; men who have applied their knowledge successfully, who are conversant with all the local conditions and requirements in this district and whose experience is set forth at this meeting will be of great value to the newcomer who intends to raise fruit. The practical information he will receive will be worth more to him than volumes of theoretical knowledge gleaned from books, as it applies directly to local conditions. Every farmer, every fruit grower and every one who hopes to become a fruit grower, should make a point to attend this meeting. In fact, he cannot afford to miss it, and it behooves him to keep the date in mind.

What's the matter with a brass band for Mosier? There are a number of people in town and vicinity who have played in bands and who are willing to help organize one here. In fact, we understand Mosier can boast of one or two bandmasters who are willing to give their time to the instruction and there are quite a number of instruments already here. All the project lacks to get a good band started here is initiative, and if there is any encouragement offered, the boys will get busy at once. We have been asked to announce that a meeting will be held next Monday night for the purpose of getting the project under way, and have offered the Bulletin office as a place of meeting. It is hoped that sufficient interest will be manifested in this matter to enable the boys to organize. We are satisfied there is enough "wind-jamming" talent in this man's town to thresh out good music. Give the boys a chance to "blow" themselves.

SCHOOL NOTES.

Box Social tomorrow night at Lamb's Hall. All ladies are requested to bring a box with lunch for two. Admission free.

There has been much absence this month on account of bad weather and sickness.

Orren Osburn has made a nice shelf for the large dictionary which was purchased with last year's entertainment fund.

The Box Social at Lamb's Hall tomorrow night will have a short program beginning at seven o'clock, a dolls' bazaar and several other attractions. The net proceeds is for the benefit of the Mosier School Library.

John Ford is a new addition to the seventh grade and Jesse Ford is registered in the fourth grade.

Mr. George Chamberlain drove up to the school yesterday afternoon and presented the teachers and pupils with a bucket of fine mixed French candy, which was greatly appreciated.

Sound Advice.

Make your surroundings pleasant and you will be worth more in the market. If you are doing reasonably well advise your friends to come and invest near you. Work steadily for your home dealers. Keep your money at home as much as possible and it is likely to help you in return. The successful towns have been made by the property owners pulling together. Public improvement is an investment that pays. Don't waste your time over dirty quarrels and hold back your aid through spite, but work for some good and you will find yourself benefited. — Oakville (Wash.) Cruiser.

Fruit Growers' Meeting.

The Mosier Horticultural Society has arranged a program for an all day meeting on Monday, Dec. 27, in Lamb's Hall, commencing at ten o'clock in the morning.

Every fruit grower and every person who intends to be one, should be on hand for the day and participate in these discussions.

No fruit grower knows anything but every one knows something that will be worth a good deal to those who haven't found out.

Some of the topics assigned are as follows:
Mosier Fruit Growers and their Union.

J. M. CARROLL,
Planting an Orchard.

B. E. DUNCAN,
Recent Apple Shows and What They Tell Us.

A. P. BATEHAM,
Spraying.

J. P. CARROLL,
Other subjects may be announced next week.

A town is like a large family. We are all interested in each other's welfare, or should be. A cut-throat, every-man-for-himself policy means ruin for any community. It means retrogression and failure. The first lesson that any family must learn is that to be happy and successful is unity and mutual assistance. The same applies to the business life of a town and the more generally it is obeyed the more abundant will be the town's prosperity. Stand by each other and patronize the home folks. — Ex.
