At the morning service, next Lord's Day, the subject will be "The Great Oregon," and in the evening, "What is the Devil?" We think it will pay you to hear both sermons.

A Word to the Land Seller.

Land buying and land selling is the principal business in this section at present. Eastern and Middle Western people are looking to Oregon for future homes and for investments for their money. We are in close touch with many of them and are in a position to find a buyer for YOUR property, if you want to sell.

It is proven that money invested in Mosier land nets the largest returns of any district in Oregon. This fact will bring many investors here this Spring and Summer and if you have land to sell, in large or small tracts, list it with us and get quick and satisfactory results.
