The Retort Erudite.

A famous scholar, whose hobby was the derivation of words, had occasion to store his furniture while proceeding to the continent in quest of the origin of the term "juggins. During his researches in Berlin he received from the warehouse company the following letter: "Sir-We have the honor to inform you that the mattrass pazo oil thing. Blind, Bleeding or Protruding Piles in 6 to 14 days or money refunded. 50c. in it. Since the epidemic would expose the goods of other clients to injury, we have caused your mattrass to be destroyed."

The scholar replied: "Dear Sir-My mattress may, as you say, have his ears. "Hello! Is that Mr. Wilson?" had moth in it, but I am confident that it had an 'e' in it also."-London King.

Its Strong Point.

"How can I tell," asked the custom er, ': whether I am getting tender meat or not?" "There's only one sure way, ma'am,"

said the butcher, "an' that's by eatin' of It." "But I have to buy it before I can do

that." "Yes'm; that's the beauty of the pre-

Ancient Instance. "Things are getting too hot for me!" gasped the phoenix, with its expiring Leader.

"Here's where I retire!" Thus the historic bird set an exam ple that mankind has been proverbial-

ly reluctant to follow. It guit under fire.

Aunyon's Paw Paw Pills coax the liver into activity by gentle methods. They do not scour, gripe or weaken. They are a tonic to the stomach, liver and nerves; invigorate instead of weaken. They enrich the blood and enable the stomach to get all the nourishment from food that is put into it. These pills contain no calomel; they are soothing, healing and stimulating. For sale by all druggists in 10c and 25c sizes. If you need medical advice, write Munyon's Doctors. They will advise to the best of their ability absolutely free of Charge. GOT \$10,000 PICTURE

Famous Work of Millet Cut From Frame and Stolen.

WORK WAS LOANED TO MUSEUM

Belonged to Rich San Francisco Woman, Who is Now in Europe-No Clew to Thief.

San Francisco, March 15.-Carefully cut from its place in the great frame that held it, while a score of persons wandered about admiring the other works of art, Jean Francois Millet's famous painting, "The Shepherd and Flock," valued at \$10,000, was stolen from the art museum in Golden Gate

the Rue La Fayette, Paris. The canvas is 21 inches by 17 inches.

Two other paintings of equal value Flock" was hung. They are Dupre's priated to himself a large dish of Daubigny.

whether the theft of the painting is an marked: act of vandalism or the result of a well-laid plan to steal the remarkable nezzar in his degradation." Millet work and place it upon the marthe medium of a European "fence." FREAK PART HORSE, COW, DEER Scotch worthy.

Spine on Side, Horn on Front Legs Hoof Points Backwards.

Ottawa, Ont., March 15 .- At the village of Buckingham, on the Quebec side of the Ottawa river, a few miles from this city, is a horse, if such it can be called, that is only a third part horse, the other two parts being divid- have for \$3,000." ed equally between a cow and a deer.

As a freak the animal probably has no equal. The normal parts are its that are a little—er—straddyvariouser head, eyes, teeth and one hind leg. Its than this one?"—Chicago Tribune. back bone is not in the center, but runs along the side of its back. One side of the stomach is that of a deer, per- | Portland is the big market place of the fectly formed, with the fine, close-setin ribs, and the delicately curved body. The other side resembles that of a cow very full, with big, rough ribs and the hide much rougher than on the other side.

On one of its front legs there protrudes a twin horn which measures The greatest of all horsemen, says; "In my 40 years' experience with horses I have found Spohn's Distemper cure the most successful of all remedies for the horses. It is the greatest blood purifier." Bottle, 50c. wards, so to speak, all the muscles of the leg are on the inside and the hoof four feet and 11 inches from the tip to points backwards.

> Madriz Announces Terms Managua, Nicaragua, March 15. Replying to the proposition recently submitted by General Estrada with reference to the friendly mediation of the American government and appealing to President Madriz to accept such mediation so that peace might be as-

> sured, the president has sent the following message:
> "I feel the fullest confidence in the United States government and would accept its mediation with much pleas ure were it not that several of the bases of settlement that you propose

are wholly unacceptable. "Your patriotism should have pre cluded conditions affecting the autono my and honor of Nicaragua and such as the mediator probably would refuse to consider if they were submitted."

Japs Oppose Mikado Tax.

San Francisco, March 15.-Six hundred Japanese, assembled in a meeting today to discuss the registration tax imposed by the government of the mik-ado upon all subjects residing in the United States, passed resolutions de-manding dismissal of the local Japanese consul, Matsuzo Nagai. A protest against the payment of the tax was embodied in the resolutions and will be forwarded at once to the foreign office at Tokio. It was agreed that the tax would be resisted with force, if neces-

Man May Sweat to Death. Los Angeles, March 15.-Thornton Freen, an elevator operator 21 years old, has been suffering for years from a constant fever, and his physician, Dr. Henry Herbert, has just discovered the cause-two extra and entirely unnecessary ribs. According to members of the Los Angeles Medical association, Green's case is something new in medical annals, and it is feared that the young man will have to undergo an operation for the removal of the ribs if he wants to avoid sweating himself

Halley's Comet Located. Pacific University, Forest Grove, Or., March 15.—W. N. Ferrin, president of Pacific University, thinks the report from Silverton that Halley's comet has been seen for the past three evenings is a mistake. President Ferrin says the comet is now in the constellation Pisces, many degrees from where the Silverton observer reports he saw it. He gives its position as 14 degrees from the sun and almost directly in the west at sunset.

Bellboy Made Bad Money. Riverside, Cal., March 15 .- The finding of a counterfeiting outfit in a cel-lar under a hotel here led to the arrest What a curious thing this universal of Harold Mun, 14 years old, a bellboy, habit of gum chewing is!" remarked who declares he is the son of a wealthy stockman of Snyder, Texas. The lad "What's curious about it?" saked the is in the custody of probation officers with two charges against him, theft of "Nobody has mentioned it as one of a revolver and that of having manufactured bad money.

Frederick's Thoughts. A young mother went upstairs one

evening to be sure that her son was safely sleeping. As she paused at the door of the nursery she saw her husband standing by the side of the crib, gazing earnestly at the child. As she stood still for a moment.

touched by the sight, tears filled her eyes, and she thought, "How dearly Frederick loves that boy!" Imagine the shock to her feelings when he suddenly turned toward her and said: "Amelia! It is incomprehensible to me how they can get up such a crib

as this for three dollars and sixty cents."

The shades of night were falling.

Swiftly and gracefully an aeroplane descended, landing as lightly as a feather on the smooth roadway of the Forth stepped an elegantly attired

man, wearing a mask. "Snatching a purse from a richly ap- Bilious attacks, sick-headaches, indigespareled dame who was passing, he tion, constipation, dizzy spells - these stepped back into the aeroplane and are some of the results of an inactive was soaring aloft and disappearing in liver. Ask your doctor if he endorses the distance before it occurred to the Ayer's Pills in these cases. The dose

-Chicago Tribune.

England the early Methodist preacher, when away from home, was expected to get his food from his congregation, and when at home was allowed 36 cents a day, with the stipulation that the acceptance of an invitation to dine led to a due deduction. His wife was allowed 96 cents a week, with a further concession of five dollars a quarter for each child. At the Bristol conference of 1752, however, a definite salary was fixed. For the future the preacher was able to call \$60 pered. a year his very own.

An Admonition from Japan. "You shouldn't call us Japs in your newspapers," said a Japanese journal-"We don't think it's polite. You wouldn't want us to call yor Yanks in our papers, would you? A western Congressman said to me the other day: 'What nese are you-Japanese or inside. You're delaying the process Chinese? I'd have liked to jiu-jitsu him, but I only smiled and retorted: What key are you-monkey or Yan-
