His Good Work.

The director of a prison received an order after many years' service. He had all the prisoners called together and made the following speech to them:

"As you see, I have been decorated by royal grace, with an order. But I willingly acknowledge that this has been attained not alone by my own merits, but by the co-operation of all of us. I can also declare, with pleasure, that since I have occupied this office the number of prisoners has increased from 400 to 700—a fact of which both you and I may be justly proud."—London Tit-Bits.

Just Shopping.

A Storekeeper Says:

"A lady came into my store lately and said: 'I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful. If only women knew what comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was small and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost.'"

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the diner table so tired that you can't eat. Just light a Perfection Stove and immediately the heat from an intense blue flame shoots up to the bottom of the pot, kettle or oven. The room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

It has a Cabinet Top with a shelf for keeping plates and food hot. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

One Quiet Spot.

"This," said the chauffeur, pointing to a large and imposing mansion, surrounded by beautiful and well kept grounds, some distance back from the roadway, "is the only place around here where they have an absolutely safe and sane Fourth of July."

"What place is it?" asked one of the passengers.

"It's the county insane asylum," answered the chauffeur.

Utterly Wasted.

"What are you glum about now?" "I was just reviewing my past life." "Well?" "And thinking of all the useless worrying I have done."

Household Remedy

Taken in the Spring for Years.

Ralph Rust, Willis, Mich., writes: "Hood's Sarsaparilla has been a household remedy in our home as long as I can remember. It is the only medicine I have used for several years. It has no equal for cleansing the blood and expelling the humors that accumulate during the winter. Being a farmer and exposed to bad weather, my system is often affected, and I often take Hood's Sarsaparilla with good results." Hood's Sarsaparilla is Peculiar to Itself. There is no "Just as good." Get it today in liquid form or tablets called Sarasatabs.

A Grave Threat.

A woman in widow's weeds was standing at one of the entrances to Wadsworth cemetery, accompanied by her small son, who was weeping bitterly. Coaxing having failed to pacify the lad, the mother indulged in this threat: "If you don't stop crying this minute I'll not take you in to see your father's grave."

Cheated.

"I paid that doctor a thousand dollars in the space of six months." "What for?" "Keeping me from getting softening of the brain." "Did he tell you he kept you from it?" "Certainly, why?" "You ought to demand your money back."—Houston Post.

How He Remembered.

"No, Dickey; I can't let you go fishing to-day. You want to go entirely too often."

"You're the last time I went fishin' was three weeks ago yesterday."

"Surely that wasn't the last time, Dickey."

"Yes, it was, now I remember it 'cause that was the day you held me in the bathtub 'n' made me take a bath."

Hard to Swallow.

"Yes, my lad," the health crank was remarking, "people should be careful not to eat much when they are going to take exercise. I once took a walk of fifty miles on nothing but a few soft boiled eggs."

"Geel!" said the boy. "What lookin' for you must have had when you got there!"

INDIANS READY TO YIELD.

Taos Uprising Already Over—Will Surrender to Troops.

Santa Fe, N. M., May 17.—The threatened uprising of the Taos Pueblo Indians at Taos, N. M., appears to be at an end. Governor Mills today said the national guard sent to Taos last night has been ordered to return. United States Attorney Wilson telegraphed from Taos this morning that the renegade Indians have volunteered to surrender themselves on the bench warrants which they have been resisting. He added that the trouble had been greatly exaggerated.

A regular troop of Cavalry, with Captain McCoy in command, from Fort Wingate, arrived here tonight to take a special train for Barranca, whence it will ride overland to Taos, unless ordered back by the War department. It probably will be necessary for the troops to serve the bench warrants and make the arrests, but no bloodshed is feared, as the Indians, who including women and children number only 300, stand in awe of the military.

Chase Horse Thief in Relays.

Chicago, May 17.—A 19-year-old horse thief was captured by the Waukegan police this afternoon after a 20-mile chase that lasted more than four hours and during which the police used three relays of horses and an automobile. Volleys of shots at the opening of the chase and interruptions of parties on pleasure drives that their fresh horses might be exchanged for tired animals driven by the police added exciting incidents to the flight. The police finally captured the thief by the use of an automobile.

Placerville is Burning.

Placerville, Cal., May 17.—This city is in danger of destruction by fire. Dynamite is held in readiness to raze a section of the residence district. Every available man, woman and child is fighting the conflagration, both with bucket brigades and high-pressure water system. Floriston, Cal., is also menaced by a forest fire.

AVARICE RULES OVER DEAD KING

Points of View on Line of Funeral Sell High.

Police Busy Guarding Palace—Artillery Rehearse Program—Navy Will Have Prominent Place.

London, May 17.—The whole court and all London are absorbed in the preparations for the funeral of King Edward, which will be the most imposing ceremonial the British capital ever has witnessed. Thirty thousand soldiers will be ordered through in four lines at the rate of 18,000 an hour. The body of the late king will not be exposed to view. The mourners will see only the coffin with the official regalia and heaps of flowers.

The flowers contributed by organizations and individuals will represent many thousands of dollars in value. The most elaborate wreath was sent from Windsor, consisting of costly white flowers, interwoven with purple, which is the royal mourning color. The wreaths contributed by private individuals, numbering thousands, will be hung on posts in the streets. The artillery horses, with gun carriages, were rehearsing today through the streets along the line of march, so as to avoid the possibility of a mishap on Friday.

Fabulous prices are being asked for seats in the stands along the line, \$25 being the lowest sum at which it is possible to get a place. The householders overlooking Trafalgar square have sent a protest to the lord chamberlain for again changing the line of march, which deprives them of eagerly expected profits.

King George having been closely identified with the navy, the naval contingents will take a prominent part in the ceremonies. Bluejackets will draw the gun carriage to Windsor, as they did the carriage which bore the body of Victoria, although on that occasion they did so because the horses became restive. Soldiers from the king's company, grenadier guards, are keeping sentry watch over the body in the throne room at Buckingham palace. They are relieved each hour.

Scotland Yard has all its detectives on duty and these are reinforced by 100 more from Continental cities.

IN OLD VIRGINIA.

Five Laws of Cavaliers Much More Strict Than Those of Puritans.

The blue laws of the Puritans weren't in it with the blue laws of old Virginia, though it has always been supposed that the cavaliers of the southland cared more for high living and frivolity than for good behavior and order. In 1662 the following laws were enacted in that State:

Every person who refuses to have his child baptized by a lawful minister (Church of England) shall be amerced 2,000 pounds of tobacco, half to the parish, half to the informer.

To steal or unlawfully kill any hog that is not his own the offender shall pay to the owner 1,000 pounds of tobacco and as much to the informer, and in case of inability to pay shall serve as a slave two years, one to the owner, one to the informer.

No marriage shall be reputed valid in law but such as is made by a minister according to the laws of England. The minister who doth marry contrary to this act shall be fined 10,000 pounds of tobacco.

If a married woman shall slander a person the woman shall be punished by ducking, and if the damages shall be adjudged more than 500 pounds of tobacco her husband shall pay, or the woman receive a ducking for every 500 pounds so adjudged against her husband if he refuse to pay the tobacco.

Enacted that the Lord's Day be kept holy and no journeys or work done thereon, and all persons inhabiting in this country shall resort every Sunday to church and abide there quietly and orderly during the common prayers and preaching, upon the penalty of being fined 50 pounds of tobacco.

Any person inhabiting this country and entertaining a Quaker in or near his house shall, for every time of such entertainment, be fined 5,000 pounds of tobacco, half to the county, half to the informer.

Every master of a vessel that shall bring any Quakers to reside here after July 1 of this year shall be fined 5,000 pounds of tobacco, to be levied by distress and sale of his goods, and then shall be made to carry him, her or them out of the country again.

The court in every county shall set up near the Court House, in a public and convenient place, a pillory, a pair of stocks, a whipping post and a ducking stool. Otherwise the court shall be fined 5,000 pounds of tobacco.

Fact Versus Theory.

"The teacher of one of the rooms in a school in the suburbs of Cleveland had been training her pupils in anticipation of a visit from the school commissioner," said George S. Wells of Pittsburg at the Shoreham. "At last he came and the classes were called out to show their attainments."

"The arithmetic class was the first called, and in order to make a good impression the teacher put the first question to Johnny Smith, the star pupil."

"Johnny, if coal is selling at \$6 a ton and you pay the coal dealer \$2, how many tons of coal will he bring you?"

"Three," was the prompt reply from Johnny.

"The teacher, much embarrassed, said, 'Why, Johnny, that isn't right.'"

"Oh, I know it ain't, but they do it anyhow."

How Is Your Appetite Today?

Is it keen and normal, or do you have that "don't care" sort of feeling? Loss of appetite is one of the surest signs of inward weakness, and if you are wise you will heed the warning promptly and take a few doses of Hostetter's Stomach Bitters. The system requires a certain amount of nourishment every day in order to keep up health and strength and to replace the waste portions. This can only be accomplished with a keen appetite and perfect digestion and assimilation of the food. Then again Hostetter's Stomach Bitters should be taken. It will stimulate the flow of gastric juices, so essential to perfect digestion, and aid in every way possible. For over 56 years it has been used with wonderful success in cases of Poor Appetite, Heartburn, Flatulency, Indigestion, Dyspepsia, Costiveness, Biliousness and Malaria.

Italy levies a graduated income tax as well as a direct tax on land and houses. Smaller incomes are exempt from taxation. The minister of finance estimates that the income tax for this year will amount to about \$48,000,000, while the land tax will bring in \$26,000,000.

How Is Your Appetite Today?

Is it keen and normal, or do you have that "don't care" sort of feeling? Loss of appetite is one of the surest signs of inward weakness, and if you are wise you will heed the warning promptly and take a few doses of Hostetter's Stomach Bitters. The system requires a certain amount of nourishment every day in order to keep up health and strength and to replace the waste portions. This can only be accomplished with a keen appetite and perfect digestion and assimilation of the food. Then again Hostetter's Stomach Bitters should be taken. It will stimulate the flow of gastric juices, so essential to perfect digestion, and aid in every way possible. For over 56 years it has been used with wonderful success in cases of Poor Appetite, Heartburn, Flatulency, Indigestion, Dyspepsia, Costiveness, Biliousness and Malaria.
