Ed. Wood, O. R. & N. detective, was a visitor in town on Tuesday last.

Geo. Chamberlain was a passenger on Wednesday morning's local for Portland.

B. E. Duncan and wife motored over from Hood River last Friday and spent the day with friends.

Mrs. Geo. Parish went to Portland last Monday, taking her little son to be treated for some ear trouble.

Rev. S. G. Bettes will lecture on Temperance tonight in the Baptist Church. All interested in the movement are invited to attend.

County School Superintendent J. T. Neff and Rev. B. A. Warren, of the Dalles, attended the closing exercises of the Mosier School on Wednesday evening.

Fred. Evans and family left last Saturday for Portland, by way of The Dalles. They will later go to Independence for a few weeks' visit.

Fred Forslund returned last night from Portland, where he went to purchase a supply of plumbing and tinning supplies for his new shop, which he has erected in the west addition. Mr Forslund will also be prepared to do all kinds of harness and shoe repairing.

R. L. Dwight, a recent locator in Mosier, returned last week from The Dalles Hospital, where he spent several days having one of his hands treated for blood poisoning, caused while at work on his ranch near town. Mr. Dwight stated that if he had delayed much longer he would have lost the hand and probably an arm. He is rapidly recovering now.

Burggraf and Vogt still hold the record for fast time with their "Jackson 40" buzz wagon. They went to The Dalles on Monday and made the 14 miles back in forty minutes flat. While that is a little faster than we would care to ride over that road it shows what the Jackson is capable of doing. These gentlemen have given their machine all round tests for speed, endurance, hill climbing, etc., and say they will put their machine against any other make on the market.

Fire in Mosier.

NINE LIVES LOST!

SAD "CAT"-ASTROPHE

Early yesterday morning Mr. John Ballance, who lives east of town, was awakened suddenly by the smell of fire. Rushing to a nearby window, he discovered his barn ablaze from floor to ceiling. The only occupant of the building was the old black cat, which, notwithstanding the heroic efforts of John to save it, perished in the flames. An inquest was deemed unnecessary.

NOTICE.

There will be regular services in the Baptist Church next Sunday. All members are urged to be present, as it will be the last meeting before the Association, which will be held in Portland next week. Everybody invited.

W. A. STARK.

Church of Christ Notes.

After a month's absence we come to greet Mosierites again in this column.

We enjoyed our union meeting last Lord's Day morning, and suggest that if one is good, more would be better. We could have them occasionally.

Subjects for next Lord's Day are: Morning, Temptation: evening, "What shall I do with Christ?"

Come and be with us. You are welcome.

H. CAMPBELL CLARK,
Minister.

E. E. Fraederick came up last Sunday from St. Johns, and will spend a couple of weeks with his family.

S. G. Bettes, the "Cowboy Preacher," stirred up a hornet's nest among the citizens of Mosier last Sunday night, when he intimated that, while there were some good people here and he loved them, the majority were bound hellward and he didn't love them a little bit. He was very caustic in his remarks, especially flaying the real estate men of Mosier---why, he didn't explain, and we haven't been able to guess. Perhaps he will elucidate tonight, when he will give an address on temperance. Brother Bettes certainly belongs to the church militant, and while it is not doubted that his motive is to do good in the world in his fight against the world, the flesh and the devil, his method is repellant and repulsive---he would "lick the sinners into line," willy-nilly. Instead of drawing the erring one to Christ with the bonds of love and hope, he repels him with vindictive personalities ---which, by the way, was not Christ's way. However, while he considers Mosier bad enough, and next door to Hell, Mosierites may congratulate themselves that, as yet, sixteen miles by rail separate them from Purgatory, where, Bro. Bettes states, the moon, in passing over that place, holds her nose and burns a rag to kill the smell. Poor Dalles!

GOOD ROADS.

A special representative of the U. S. Department of Agriculture, Washington, D. C., Dr. Maurice W. Eldridge, best known authority on good roads in this country, will speak on that subject at the following points on the dates shown:
