Far Better as It Is.
Visitor (in Washington)—Why is it that the capital of the United States can't support a better baseball club?
Resident—My dear sir, it's providential that we haven't a first-class ball team here. If we had, by George, there wouldn't be any business transacted either in Congress or the White House during the entire league season!

Was Greedy.
Helen, aged 6, was telling Mary, aged 7, of her plans for the future. "I'm going to be married," she announced, "and have eighteen children." "Oh!" gasped Mary, her eyes wide with amazement, "you mercenary wretch!"

Years of Suffering

Catarrah and Blood Disease—Doctors Failed to Cure.

Miss Mabel F. Dawkins, 1214 Lafayette St., Fort Wayne, Ind., writes: "For three years I was troubled with catarrah and blood disease. I tried several doctors and a dozen different remedies, but none of them did me any good. A friend told me of Hood's Sarsaparilla. I took two bottles of this medicine and was well and strong as ever. I feel like a different person and recommend Hood's to any one suffering from catarrah."
Get it today in usual liquid form or chocolate tablets called Sarsatabs.

When you lose your temper, when you procrastinate, when you get nervous, excited, when you are blue and disappointed, when you worry, you lose much of your energy, your efficiency; you cannot bring the whole, complete, positive man to your task. A disordered, troubled, unbalanced mind is in no condition to create, produce, it is negative, and a negative mind cannot produce.
Never mind what others do; run your machine; think your own thought, live your own life. Let others fret and worry, if they will; keep your peace, your serenity. Do not imitate, follow, pretend or pose. Be fearless, self-reliant, independent. Be yourself.—Success Magazine.

Bad BLOOD

"Before I began using Cascarets I had a bad complexion, pimples on my face, and my food was not digested as it should have been. Now I am entirely well, and the pimples have all disappeared from my face. I can truthfully say that Cascarets are just as advertised; I have taken only two boxes of them."

Just a Chance.

"Yes, you offer the property low enough, Mr. Yipsley," said the real estate agent, "but it will be best for you to give some satisfactory reason for wanting to sell."
"The reason why I want to sell is that the property is all run down. It doesn't bring me 2 per cent on the money invested in it. I'm not offering it at a sacrifice. I don't need the money. I want to get rid of it, but I am asking all it's worth."
"Um—well, I'll list it for you, Mr. Yipsley," said the real estate agent. "It's barely possible that the novelty of the thing may attract some equally cranky purchaser."

The Dishonest Marriage Service.

Sir Charles McLeran is championing in the English Commons a series of bills to reorganize the marriage service with a view to making it honest. The High Church service enjoins: "Wives, submit yourselves unto your husbands as unto the Lord," which Sir Charles says, ladies never have any intention of doing, and which, Sir Charles' wife says, involves an arraignment to the men of Godlike quality which she regards as a characteristic bit of masculine buncombe. Further on the service contains the man's vow: "With all my worldly goods I thee endow," which Sir Charles and Mrs. Sir Charles declare is just a plain lie. He never means it for fifteen minutes after the knot is tied.—Success Magazine.

7 TIMES AROUND NEW YORK CITY

Aviator Hamilton Sails Rings Around Governor's Island

Pouring Rain and Broken Guy Wire Do Not Daut—Fly to Philadelphia Next.

New York, June 14.—Such a little thing as a broken guy wire could not keep Charles K. Hamilton on the ground today. In the pouring rain, Hamilton left the ground at 12 minutes past 6 this evening and for 10 minutes and three seconds circled the low end of Governor's island and hovered over the harbor.
In making his preliminary run over the sandy surface of the island, Hamilton bumped a surveyor's stake and smashed a guy wire. He knew it himself, but nobody else did until he alighted after a beautiful flight.
It rained hard all day, but despite the faint prospects of decent weather for a flight, a good-sized crowd bore witness to their faith in Hamilton's daring. Shortly before 6 o'clock the weather moderated. There was almost no wind and the heavy, moisture-laden air was just right for aviation. So Hamilton wheeled out his machine, warmed up the engine and was off in a few minutes.
Seven times he circled the island at a height of about 200 feet and then came down with the swoop of a falcon.
Hamilton confidently expects to start tomorrow morning at 7 o'clock on his flight to Philadelphia and return for the New York Times and the Philadelphia Public Ledger prize.
A special train will accompany him. The weather prediction for tomorrow in the territory Hamilton will traverse is fair to cloudy, with rising winds.

BEVERLY AWAITS TAFT.

Summer White House Ready for President and Family.

Beverly, Mass., June 14.—The Summer White House is swept and dusted; the broad lawns are green, the elms have not yet felt the blight of the gypsy moth, and all nature smiles on Woodberry park, where President Taft and his family will again seek rest and health during the coming heated term.
The Taft family will arrive on the 23d. Staid Beverly people are somewhat excited also at the prospect of having Colonel Roosevelt among them for a few days next month as a guest of his son-in-law, Congressman Nicholas Longworth, of Ohio. The Longworth summer cottage occupies a point of land near that on which the Taft estate is located.
Colonel Roosevelt's chief activities while in Massachusetts are expected to be expended in the vicinity of Boston, as he will be the guest of Senator Lodge at Nahant after the Harvard commencement and will speak before the National Educational association in Boston on July 8.

ROOSEVELT WILL BE IN PARADE

Thousands of Delegates Will Line Up and See Him Go By.

New York, June 14.—Secretary Crosby, of the Roosevelt Reception committee, estimates that between 15,000 and 20,000 will be in line along Fifth avenue next Saturday afternoon during the parade in honor of Roosevelt's return.
R. A. C. Smith, chairman of the harbor display committee, places the estimate of boats at something over 100. Many of the organizations will be in uniform and nearly all will have bands. To each organization comprising more than 100 persons a block has been assigned on Fifth avenue. They will not march, but will stand in their places as Colonel Roosevelt, the Rough Riders and other Spanish war veterans go past.

Western Union Indicted.

Washington, June 14.—The Federal grand jury today returned an indictment against the Western Union Telegraph company, charging it with 42 violations of the bucketshop law of March 1, 1909.
The claim that the Western Union company, by means of a telegraph wire and a ticker, aided and abetted the conduct of a bucketshop in the District of Columbia. The 42 counts of the indictments vary only in the dates on which the alleged violations are said to have occurred.

Japs to Renounce Treaty.

Washington, D. C., June 14.—The Japanese government, on Friday will renounce the existing treaty with the United States. The act of the Japanese government is not a mark of hostility, but is only part of an effort to have that government revise and bring up to date the whole fabric of foreign affairs. The present treaty was negotiated by Secretary Gresham, in the last Cleveland administration. Before that time the status of Japan in its world relations had been that of semi-barbarous country.

Protestants Aroused.

Berlin, June 14.—Several thousand Protestants took part in demonstration in Berlin today, and mass meetings were held at Essen, Magdeburg and other cities, in denunciation of the papal encyclical, recently issued, condemnatory of religious reformers and making special reference to Martin Luther. Resolutions were adopted calling for the strongest action on the part of the government. These have been forwarded to the imperial chancellor.

Carlist Party Attacks.

Valencia, Spain, June 14.—Republicans while leaving a great anti-clerical meeting tonight were attacked by groups of Catholics and fired upon from the Carlist club. Violent clashes occurred in the streets and many persons were wounded. Gendarmes appeared and dispersed the crowds, after charging them repeatedly. Many arrests were made.

Nothing New to Him.

His Host—I have some curiosities upstairs I should like to show you. Did you ever see a real, genuine, old time Toledo blade?

The Matter Explained.

"Why do they say 'as smart as a steel trap'?" asked the talkative boarder. "I never could see anything particularly intellectual about a steel trap."
"A steel trap is called smart," explained the elderly person in his sweetest voice, "because it knows exactly the right time to shut up."
More might have been said, but in the circumstances it would have seemed unfeeling.—London Tit-Bits.
