YOU ARE INVITED

To examine the statement of the MOSIER VALLEY BANK, which appears in another column of this paper.

Our first official statement was published just one year ago, when we had been open for business two months. At that time our Deposits were a little more than \$9,000.00, Loans \$3,450.00 and total Resources \$15,000.00. The present statement shows an increase in these items, during the year, of from 400 to 1000

This showing would not have been possible without the confidence of the people of this community.

The officers of the bank desire to express their hearty appreciation of your business, and will try to merit a continuation of your confidence. In this way we will all grow up together.

Mrs. Higley has been secured as janitress, and considering improvements which have been made the building and grounds are in good condition.

A new rule has been made in regard to pupils going to town at the noon hour. One pupil from each family is sufficient to do errands; and we hope parents will assist in enforcing same.
