O. E. Wilson was a business visitor at the county seat last Monday.

Paul Higley left on Saturday for Kelso, Wash., where he expects to obtain work.

Mesdames Geo. Haacke and T. Lelliott were shopping in Hood River on Monday last.

L. H. Wilson and Mr. Churchill went to Portland on Friday, returning Sunday evening.

C. A. Morden, of The Oregonian, spent a part of the day last Sunday on his fruit ranch south of town.

Thos. Leonard left last Friday for Forest Grove, where he will continue his studies in Pacific University.

John Denny and four children left last Saturday for the East, where he well spend the Winter, visiting in Iowa, Kansas and Oklahoma.

Miss Lucy Mullins left on Monday for Hood River, where she will work during the apple picking season.

Mrs. R. M. Ross and little daughter, Betty, were passengers on Tuesday morning's local, for Portland.

Floyd Allington made a flying visit to his old home at Kelso, Wash., last Saturday, returning Sunday night.

J. E. Carpenter and wife returned on Saturday evening from a week's visit with their daughter in Portland.

Alfred Evans returned to Mosier on Tuesday morning, from Ione, where he has been working during the summer.

Mosierites visiting in Hood River last Saturday were: Mrs. Chas. Graham, Mrs. Bob Evans, Mr. and Mrs. Gordon Graham and Wilbur Denny.

Wm. Baker returned to Mosier last Saturday, after a month's wanderings in the valley. Bill evidently thinks there is no place quite so good as Mosier.

There is great activity in the building line at present and it is difficult to get sufficient help. Any one who can drive a nail and saw out a line can get good wages.

D. P. Harvey's chances for the nomination to the office of County Commissioner at the Primary election tomorrow may be no better than a snowball on a hot stove, but it is thought by some that he will "cut some ice".

R. H. Cummings and M. A. Angell arrived the first of the week with their household goods and livestock, from Clinton, Iowa, and will make their home here. Their families will arrive later. These gentlemen purchased twenty acres of fruit land from C. A. Moseley last Spring and will proceed to build on it as soon as the material can be obtained. They are energetic young men—just the kind Mosier needs and we welcome them.

Mrs. McMines and Miss Jainella were Portland visitors Monday.

The Mosier Lumber Co. can fill your orders for lime, cement, brick and plaster.

Miss Susie White, of Heppner Junction, arrived in Mosier on Monday and is visiting this week with her friend, Miss Edith Harvey.

Why ruin your eyes with a poor light? Buy a Wonder and give your home a good light. Your friends will appreciate it as well as yourself. tf

Miss Priscilla Foster left Wednesday morning for Hillsboro where she will attend and address the Oregon Conference of the Home Missionary Society.

To the republicans who believe in the Assembly plan, we would say, don't forget your candidate on this ticket for nomination for joint representative. A. Stewart is well qualified and if elected will give satisfaction.

Frank M. Gill, of Dufur, candidate for nomination on the Republican ticket for State Representative, is a Statement No. 1 man and on this platform asks the support of all republicans of this way of thinking.

W. A. Stark and wife and Sam'l Stark, of Hood River, attended the funeral of Mrs. Lee Evans, yesterday.

J. A. Douthit, of The Dalles, was in town on Tuesday last, with the view of interesting Mosier people in taking stock in a new boat which Capt. Chas. Nelson has purchased and will put in commission soon between The Dalles and lower Columbia. All but about $500 has been taken, principally by business men of The Dalles, and the company is offering Mosier a chance to get in on the balance. This is a good proposition as an investment, but as Mosier has no dock at which boats may land passengers and freight, we would not be particularly benefited. Let us by all means have a dock, preferably owned by the people of Mosier; but a dock we need and every effort should be made to get one.

D. D. Hail had a narrow escape from serious injury last Monday night, while driving into town. On the hill this side of the Lee Evans place he met an automobile driven rapidly by Dr. Ferguson, of The Dalles, who was making a hurried professional call on Mrs. Evans. At the point of meeting the road was narrow, Hail's team, always excitable in the presence of autos, swerved into the ditch by the road, one of them falling. In the mix-up, the wagon tongue was broken, the end piercing one of the horses between the fore leg and breast, making an ugly wound. Hail and the gentleman who was with him, jumped out of the rig, and the team, after getting onto their feet, ran down the hill, upsetting the rig and doing considerable damage. Fortunately neither of the men was hurt.

Church of Christ Notes.

Next Sunday morning we expect J. A. Lord, Editor of the Christian Standard, Cincinnati, Ohio, to preach for us. We especially invite everybody to hear him.

At the evening service our subject will be, "The Beautiful Cube City". Come and hear this sermon and be encouraged. This will be our last sermon in Mosier for some time, and perhaps forever, and we would certainly be pleased to have every one come who can. Church is a good place to go. Never injures, always betters if we go with the right motive.

H. CAMPBELL CLARK,
Minister.

Apples *As Is* Apples

Sixty-four boxes of marketable, four-tier apples, picked from three trees, is "goingsome". This is the record from the orchard of Ed. F. Reeves, near town. The apples are a Fall variety, name not given. Any body go one better? We pause for reply. Mr. Reeves' prune crop was also one of the best in the country this year, that is, they are reported to be the cleanest and largest per cent of marketable prunes in the district.
