DR. JOHNSON SPEAKS

Editor of Bulletin:— Inasmuch as I was absent during my election as President of the Mosier Commercial Club, I wish you would tell the members of said Club that while I do not admire their judgment, yet I thank them for the honor.

The Club is in a prosperous condition and I hope by the co-operation of its members to keep it so. In unison there is strength, and the strength of a community lies in its members pulling together with long strong strokes. Some of Mosier's good citizens have said that the Commercial Club is only good for the real estate dealers. That is good as far as it goes, but it falls short. When the real estate dealer makes a sale he is benefited, the man for whom he sells the property gets a handsome profit and is benefited, and the man who buys is benefited. Sooner or later the store keeper will sell the newcomer goods, and is benefited, and so on and on.

The people make the country, hence it is up to us to get the people here if we want to advance Mosier, and as the whole Northwest is reaching out after the newcomers, it behooves us to get in with the rest, and that is just what we intend to do.

At a meeting of the board of directors held Thursday it was decided to hire a man who is not connected in any way with Mosier interests, and can devote his entire time to boosting. And with conditions as they are Mosier ought to make 'em 'sit up and take notice.'

I will call a meeting at least every quarter, taking up all the issues and setting forth all the conditions of the Club, so the members can keep in close touch with its workings. With the "burying of the hatchet" which was done recently, and everybody promising to boost and to white cap every mother's son that attempts to dig up the hatchet, Mosier will continue to do things in the future as she has in the past.

Yours truly, N. JOHNSON.

Pleasantly Surprised

E. E. Fraedrick and family were much surprised last Friday night by a number of their friends dropping in on them to spend the evening. Each one carried a pound of sugar, which was used in making taffy, and an old-fashioned candy pull was indulged in. Games and music filled up part of the time. The gentlemen secured their partners for the candy pull by bidding on the ladies who were enveloped in sheets. A mighty fine time was enjoyed by all and at a late hour the self-invited guests went home.

Those present were Mr. and Mrs. E. E. Fraedrick, Miss Ida Habager, Masters Everett and Audrey Fraedrick, Dr. and Mrs. N. Johnson, Mr. and Mrs. J. K. McGregor, Mr. and Mrs. W. E. Chown, Mrs. D. Robinson, Mr. and Mrs. Wm. Akers, and Mr. and Mrs. H. G. Kibbee.

CHRISTMAS ENTERTAINMENT

A unique Christmas entertainment entitled "A Christmas Home Coming Party" is being planned by the Union Sunday School.

The members will be treated to something good to eat, also a Christmas souvenir. The committees are working hard and will surely show all the friends of the school a royal good time.

Tomorrow night a degree team of the Royal Neighbors of Hood River will put on the degree work here for Mayflower Camp No. 3389. It is expected that quite a large class of candidates will be initiated into the local camp at this time.

Leslie Webb came up from Portland yesterday and will probably remain here a few weeks.

D. W. Hudson will leave today for his old home in Kentucky, stopping at various places on the way.

Miss Lucy Mullins returned last Friday night from Hood River, where she has been spending some time.

Civic Improvements

Our postmistress, Miss Hunter, has shown her civic pride and consideration for the welfare of her patrons by having a lamp placed on the platform in front of the office. The lamp also is very serviceable in lighting pedestrians to and from the depot.

Citizens in the upper end of town have got together and bought a \$28 gasoline lamp, which has been placed on upper Main street at the corner of Mrs. Marsh's lot. The light will be maintained by the Commercial Club.

Not to be outdone in the matter of improvements, the residents and business men on the west side of Main street have made a box gutter and gravel walk, extending from the corner above Nichol & Co.'s store to N. P. Sturgess' building, thus completing a good walk the entire length of the street. Residents on the East side, go thou and do likewise.

School Notes

Ima Nappar has stopped school.

Lloyd Fisher was absent Tuesday afternoon.

Henry Page has returned after a week's absence.
