Don't Tell Everything.
 Do not tell everything, even to a friend. When you undertake great affairs, confide in but few. Never love a man; he will not rescue you from calamity nor share what he has with you. To do good to the base is like sowing the sea. The man is never satisfied; one slip cancels all former benefits. Comrades in feasting are plenty; not in serious matters.—Theophrastus.

Faint?
 Have you weak heart, dizzy feelings, oppressed breathing after meals? Or do you experience pain over the heart, shortness of breath on going up-stairs and the many distressing symptoms which indicate poor circulation and bad blood? A heart tonic, blood and body-builder that has stood the test of over 40 years of cures is
Dr. Pierce's Golden Medical Discovery
 The heart becomes regular as clock-work. The red blood corpuscles are increased in number—and the nerves in turn are well fed. The arteries are filled with good rich blood. That is why nervous debility, irritability, fainting spells, dizziness and are overcome by this alternative extract of medicinal roots put up by Dr. Pierce without the use of alcohol. Ask your neighbor. Many have been cured of scrofulous conditions, ulcers, "ever-sores," white swellings, etc., by taking Dr. Pierce's Discovery. Just refreshing and vitalizing tonic cured of excessive tissue waste, in convalescence from fevers or run-down, anemic, thin-blooded people. Stick to this safe and sane remedy and refuse all "just as good" kinds offered by the dealer who is looking for a larger profit. Nothing will do you half as much good as Dr. Pierce's Golden Medical Discovery.

Refreshing Disinfectant.
 The following is a refreshing disinfectant for sick room or any room having an unpleasant odor pervading it: Put some fresh ground coffee in a saucer and in the center place a small piece of camphor gum, which light with a match. As the gum burns allow perfume coffee to consume with it. The perfume is pleasant and healthful, being far superior to pastilles, and much cheaper.

Look to the Future.
 Finish every day and be done with it. You have done what you could. Some blunders and absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day; begin it well and serenely, and with too high a spirit
