School Notes

Clara Carroll and Paul Bailey were absent Thursday.
Leo Nichols was absent Monday afternoon.

The eighth grade state examination will be held Thursday and Friday, May 11 and 12, at the school house. The work of the class was very irregular on account of measles a few weeks ago, but the regular attendance at present seems favorable for the class of 1911.

The final program will be given Monday evening, May 22nd. A lecture by Rev. D. V. Poling, of The Dalles, and musical selections, will constitute the program.

We hope to again have the library open to the public during the Summer, that reference books now in the hands of the teachers may be borrowed by the pupils.
