OUR PORTLAND LETTER
Portland, Or., May 2 (Special)--
Tom Richardson has returned from Baltimore, where he carried on a short publicity campaign and organized the commercial interests so they will boost their city. Mr. Richardson reports a great movement has been started there to induce Americans to see their own country before going to Europe. A big convention will be held their January 22-27 next to further this idea.

"Oregon should be deeply interested in this convention", said Mr. Richardson. "If Oregon could secure one per cent of the people of the congested cities of the East, who should move, it would more than double the population of the state. The old East has no patriotism. The people talk about travel in and know only Europe and other far countries, and European travel drains this country of \$400,000,000 every year. Every community in the west should strive to make this convention one of the greatest ever held. We must arrest foreign sentiment and at least make our national capital an American city."

War has been declared upon the pine beetle, that is causing ravages in the forests of Eastern Oregon. State Forester Elliot and his deputies will work in conjunction with the federal officers in the attempt to best the beetle. Bend has started a contest between its citizens that will add to the attractiveness of that place. To the householder growing the best lawn will be paid a prize of \$50. Another award of \$25 will be paid to the one keeping the neatest and best looking back yards from this time until the distribution of the awards, which will be held in connection with the Railroad Day celebration that will mark the advent of the new lines to Bend, sometime in July.

California business men will invade Southern Oregon on a trade getting trip, leaving San Francisco May 16. They will visit the Klamath country and other Southern sections, besides getting acquainted with merchants of Northern California. President Louis W. Hill of the Great Northern is anxious to have a line from Portland to the ocean at Tillamook and says as soon as financial conditions warrant, the United Railways will be extended to the coast. He expects this will be done within the next few years and the project is foremost in the Hill plans.

A prize contest for poster designs for use by the Oregon delegation at the National Educational Association convention at San Francisco is announced by the Portland Commercial Club for school children of the state. The posters will be 18x25 inches, in two colors, and one set of prizes of \$5, \$3 and \$2 will be offered for the three best designs submitted by pupils of Portland schools and similar prizes will go to pupils outside the city. The posters should be on heavy cover paper and any legend may be used to boost Oregon. Contest will close June 15.

What's in an Apple

Do you know what you are eating when you eat an apple? The National Horticulturist tells you. You are eating malic acid, the property that makes buttermilk so healthful. You are eating gallic acid, one of the most necessary elements in human economy. You are eating sugar in most assimilable form, combined carbon, hydrogen and oxygen caught and imprisoned from the sunshine. You are eating albumen in its most available state. You are eating a gum allied to the "fragrant medicinal gums of Araby."

And you are eating phosphorus in the only form in which it is available as the source of all brain and nerve energy. In addition to all these you are drinking the

purest of water and eating the most healthful and desirable fiber for the required "roughness" in food elements. The acids of the apple diminish the acidity of the stomach and prevent and cure dyspepsia. They drive out the noxious matters that cause skin eruptions and thus are nature's most glorious complexion makers. They neutralize in the blood the deleterious elements that poison the brain and make it sluggish.

The contained phosphorus is not only greater than any form of food, but is presented in a shape for immediate use by the brain and nerves, where it may flash into great thoughts and great deeds. The ancients assigned the apple as the food for the gods, and its juices the ambrosial nectar to which they resorted to renew their youth. Men are the gods of today, and the apple is their royal food, the magic renewer of youth. Eat a rich, ripe apple every day and you have disarmed all diseases of half their terror.

LOCAL

Miss Bessie Jones left on Sunday for St. Johns where she will spend several weeks visiting her uncle, Leo Root, and family.

Miss Lorene Dunsmore came down from The Dalles Tuesday morning to be with her mother, who is ill at her home East of town.

Don't forget the ice cream social given tomorrow afternoon and evening by the ladies of the Christian Church in the basement of the church.

The balance of the lumber necessary for the completion of the new Mosier Creek bridge has at last arrived and work on the structure is progressing.

F. P. Wheaton arrived from Portland on Monday morning, and will take Mrs. McLane's place as operator at the station during the latter's absence in Honolulu.

A. E. Negus came down from The Dalles on Monday and went out to the Long place, where he is putting down a well, with good prospects of striking water soon.

Rev. Mr. Parsons, of the U. B. Church of Hood River, preached a very forceful and convincing sermon at the Baptist Church, last Sunday evening.

Mrs. J. N. Mosier is confined to her bed, suffering from a badly sprained ankle. The injury was received about a week ago and has been growing worse instead of better.

Mrs. Marie Sendlinger went to The Dalles on Tuesday to make commutation proof on her home-stand, south of town. Her witnesses accompanying her were R. W. Simpson and C. G. Stoltz.

The Mosier ball team No. 2 crossed bats with the Huskey Valley team last Sunday. The town boys waxed the Huskeys by a score of 11 to 6. A return game will be played next Sunday on the local diamond.

Bishop Paddock, of Eastern Oregon, held services in the Baptist Church last Sunday morning. The Bishop would be very glad to have all Episcopalians in Mosier and vicinity send their names in to him at Hood River.

Delegates of the Sunday school convention, held at Dufur this week, were: Dr. D. Robinson, Fred Evans and wife, Mrs. Amos Root, Mrs. F. Allington, Rev. Sickafosse and wife Mrs. J. E. Higley and Mr. L. E. Mathews.

B. J. Weller, wife, three children and maid are expected to arrive today from New York. We understand that Mr. Weller is interested with Mark A. Mayer in the Mayerdale property and he and his family will reside there. We welcome him to Mosier.

Mr. Currier, representing Fairbanks Morse Co. of Portland, was a business visitor in town last Monday. This company has put two of their power sprayers

On Bills not paid by the 15th of the following month from date of purchase, credit will be refused until settlement.

W. E. CHOWN, Mosier - Ore

into the district recently which are reported to be the best sprayers on the market. One of them is in the Macrum orchard and the other on the Howe place.

Thomas Harlan, a former resident of Mosier and a well known newspaper man, will start a newspaper at the new town of Lyle, in Washington. The paper will be christened "The Lyle Ledger," and will make its bow to the public June 1, next.

The Mosier ball team played a game at Underwood last Sunday and were defeated. The boys say they played three teams in that game, which was not in their calculation. Had the Underwood team played their own men our boys are confident the result would have been different.

Remember that the Mosier High School will hold their commencement exercises next Monday night in Stroup's Hall. The program promises to be very interesting, and it is hoped that there will be a large attendance. The principal feature will be the address by Rev. D. V. Poling, of The Dalles.

A PERSONAL MATTER

A man's business is naturally his own affair, to be managed as he sees fit, but we feel justified in saying that where one can get as good treatment at home as elsewhere, his interests are best served by doing business there. In ordinary matters the MOSIER VALLEY BANK can and will treat you as well as you will be treated anywhere, and every resident of the Mosier district who does his business through us receives an indirect benefit because he helps to increase the volume of local business and he aids in the development of the country.

Our business is now more than six times as large as it was when we made our first statement, twenty months ago and is steadily growing. We are pleasing 265 other customers—Give us a chance to please YOU.

Card of Thanks
We wish to thank all those friends and neighbors who extended to us their aid and sympathy during our recent great bereavement in the loss of our beloved mother.

W. E. HUSKEY
GEORGE HUSKEY

Delegates of Odd Fellows and Rebekahs from Mosier attending the annual assembly at Portland were: J. N. Mosier and C. T. Bennett, Beacon Lodge; Mrs. E. B. Stevenson and Mrs. J. M. Carroll, Manzanita Lodge. L. Lamb also attended.

R. F. Dean, of the firm of Dean & Shaw, Hood River, is in town making a canvass of the business houses and residents to ascertain the amount of business the Hood River Light & Power Co. will be able to do in regard to lighting the town by electricity. Mr. Dean will also make arrangements for a wiring supply headquarters here.
