Novelty in the candlestick line are always making their appearance, and just now the Japanese floor lantern is the latest thing. These stand from three to six feet high, or even higher, and are both picturesque and practical. The candle is enclosed in a beautiful deep globe to keep the breeze from the flame, and as the globe is arranged to hold a large candle it will burn a long time.

Makes You Well Again

Wouldn't Be a Preacher.

J. H. Libby, the cement contractor, was discussing the future of his little grandson, Harry Hoffman. "We haven't any person in the family," he said "I guess we'll just make a minister of Harry." "No, sir," the boy stoutly protested. "No preaching for me. I'm going to be a ball player!"—Cleveland Leader.

Goose Did Good Work.

SHE GOT WHAT SHE WANTED

This Woman Had to Insist Strongly, but it Paid

Chicago, Ill.—"I suffered from a female weakness and stomach trouble, and I went to the store to get a bottle of Lydia E. Pinkham's Vegetable Compound, but the clerk did not want to let me have it—he said it was no good and wanted me to try something else, but knowing all about it I insisted and finally got it, and I am so glad I did, for it has cured me."

"I know of so many cases where women have been cured by Lydia E. Pinkham's Vegetable Compound. I can say to every suffering woman if that medicine does not help her, there is nothing that will."—Mrs. JANETZEL, 2063 Arch St., Chicago, Ill.

This is the age of substitution, and women who want a cure should insist upon Lydia E. Pinkham's Vegetable Compound just as this woman did, and not accept something else on which the druggist can make a little more profit.

Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

Experience Boy Will Remember.

While exploring one of the big disused Martello towers, near Waterford harbor, Ireland, which was formerly used for military purposes, a boy named Charles Cummins had a terrible experience a few days ago. When he pushed open one heavy iron door it suddenly banged and shut on his fingers. In agony, he shouted for help, but he was kept a helpless prisoner all night, and till late next morning, when he was rescued by a passer by.

ROOSEVELT ON STAND.

Ex-President and J. P. Morgan May Testify in Steel Case.

Washington, June 14.—Frank B. Kellogg, special counsel of the Department of Justice in the prosecution of the Standard Oil company, and known as the "trust buster," told the Stanley steel trust investigating committee today that he had for years been special counsel of subsidiary companies of the United States Steel Corporation in Minnesota and that he had no apologies to make for it.

Chairman Stanley declared that the committee would summon anyone—be he the President of the United States or J. Pierpont Morgan—to ascertain how certain railroads, owned by the steel trust, were able to declare enormous dividends on small capitalization. It is probable that ex-President Roosevelt and Mr. Morgan will be asked to appear before the committee when it holds sessions in New York.

"The chairman and this committee," said Mr. Stanley, "want to know how and why certain railroads are able to pay 100 or 150 per cent dividends and put \$4,000,000 or \$5,000,000 into their surplus, when their capitalization is only \$4,000,000 or \$5,000,000. That may be all right, and it may not."

"We shall summon the President of the United States, J. P. Morgan or any other person within the power of the committee, to get the whole truth and nothing but the truth."

"I think we ought to summon both those persons," said Representative Young, of Michigan, a member of the committee.

"You mean the ex-President of the United States, don't you?" asked Chairman Stanley.

"Yes, of course," Mr. Young replied.

Jersey City.—Talking of your Broadway beauties in their freakish harem skirts, why not give a little attention to this old lady, who has worn 'em for ever since the early bloomer movement long before those Broadway freaks were born and wears 'em with entire satisfaction to herself at least to this very day. She is Miss Fowler of Vineland N. J. She donned the costume she is seen wearing in the illustration.

FRUITS OF VICTORY DENIED.

Insurrectos Angered Because Entry to Chihuahua Is Refused.

Chihuahua, Mexico, June 14.—Four thousand federal troops, commanded by three generals, are patrolling the streets here, deterring the victorious insurrecto army under General Orozco shall not enter the city. Orozco's force extends north along the railroad 30 miles, with headquarters at Sauz.

The insurrectos make no effort to conceal their anger. They say while reports come to them of banquets being served in Mexico City, they, in spite of peace, are being kept in the field on short war rations.

An incident of the strained relations between the two armies occurred today when a federal lieutenant who shouted "Viva Reyes" was shot and killed by an insurrecto who had smuggled himself into town.

While wonder is expressed that Mexico City does not promptly straighten out the tangle, Gonzalez expects no serious consequences.

However, General Orozco, Madero's foremost military chief, when interviewed at Sauz, frankly expressed displeasure at the authorities' failure to turn over the city to his forces, since the insurrectos in Northern Mexico practically had begun and won, they should be the first to enjoy the victory.

Many of Orozco's followers have declared that if the federals do not march soon the insurrecto army will enter in a body.

CASTRO APPEARS IN HAYTI.

Exiled Ex-President of Venezuela May Cause Complications.

Washington, June 24.—Cipriano Castro, exiled ex-president of Venezuela, whose return to his native country the United States and foreign countries are trying to prevent, has been discovered at Port de Paix, Hayti, aboard the steamer Comandante, which was given out as the Mexican American Consul Torres, at Port au Prince, cabled the state department of this fact.

Mr. Furniss, minister to Hayti, reported that the movement of this vessel, which has lately begun to fly the German flag, has been suspicious, no one but its officers and crew being allowed on board, even the Haytian consul having been refused permission to go on board.

Navy to Seek Men.

Bremerton, Wash.—Announcement has been made here of a plan of the navy department to establish a system of navy recruiting offices at Portland, Ore.; Seattle, Wash.; Walla Walla, Wash.; Spokane, Wash.; and Boise, Idaho, in accordance with the purpose of bringing the enlisted force above the authorized enlisted strength. Men are lacking properly to man the new vessels ready or soon to be ready for commission. The full enlisted quota of the navy as established by law is 47,500. Many enlistments have expired.

Woman's League Leader Accused.

St. Louis—Following the filing of two receivership suits in the district federal court here against the corporations directed by E. G. Lewis, president of the American Woman's League at University City, Mo., it was announced that a special session of the federal grand jury had been called for July 7. One suit is a general creditors' bill against all the Lewis corporations, asking for a receiver to wind up the affairs of the company.

Astoria Gets War Craft.

Washington—Representative Hawley, who recently urged the navy department to send torpedo boats to Astoria during the Centennial celebration, has received assurance from the secretary of the navy that several of these ships will be ordered to participate in the celebration for part of the time between August 19 and September 9. The exact number of ships to be sent is not yet decided, but it will probably be three or four.

Anti-Treat Law Tested.

Tacoma, Wash.—Judge Chapman, of the superior court, has held the anti-treating ordinance to be constitutional and affirmed the judgment of the police court against Gus Kiesel, proprietor of the State saloon, by which Kiesel was fined \$50 and costs. Kiesel's, as a test case, will be appealed to the supreme court, by agreement.

Cleaning Bagdad Rugs.

It is very difficult to wash a Bagdad souch cover or rug successfully. The colors are almost sure to run when treated in the ordinary way. Before beginning operations separate the strips. Then wash each one in a separate water. Use white soap and lukewarm water to which a little salt has been added after a suds has been raised by brisk stirring. Do not rub the strips in a washboard, but merely dip them into the water and stir them briskly, then quickly rinse them and hang them over a clothes horse in the kitchen away from the sunlight. Be careful when drying that the strips do not overlap. When almost dry press out the wrinkles with a hot iron. If the middle strips have become slightly worn exchange them with those on the outside, when sewing the cover together again.

Attractive Way to Serve Banana Ice Cream—How to Combine Appointments With Curacao.

Banana ice cream has quite a festive appearance when served in short-neck glasses and decorated with frosted slices of bananas and preserved cherries, which should be stoned and entirely freed from superfluous juice. To frost the bananas, dip the slices into a thin white icing similar to a cake frosting. The slices should be merely glazed and not heavily coated. If it is inconvenient to frost the bananas the slices may be used plain.

Snowballs of ice cream are very attractive when served with snowballs of cake on a wintry night when real snow is flying out of doors. To prepare the cake, cut out rounds of white lady cake, free it from crust and dip it into cocoanut frosting. If a little cocoanut is sprinkled over the ice cream balls the two will look so much alike that one can hardly tell the difference.

A famous chef served apricots with Curacao. Remove the juice from a pint can of apricots. Add a tablespoonful of sugar and the rind of an orange to the juice. Let it boil ten minutes; then remove the rind. Stir in two tablespoonfuls of Curacao and pour it over the fruit. Serve when cold.

A few spoonfuls of Curacao add a delicate flavor to sliced and sugared oranges.

Almond flavoring is very nice with boiled dumplings and batter puddings in which cherries or peaches are used. Do not, however, have more than a suggestion of this flavor.

SAUERKRAUT LONGEVITY AID

Rev. Flynn of California Makes Some Peppery Remarks on Diet and Fat—Two Meals Enough.

Cincinnati—"Any man who is so fat that he cannot see his feet while walking, ought to be arrested," said the Rev. Earl Flynn of Berkeley, Cal., to a Y. M. C. A. audience the other day. "Two meals a day are enough for the average person to eat and remain in a healthy condition. The person who eats three meals a day needs 12 hours sleep to refresh himself."

Mr. Flynn, who is 75 years old, continued:

"The food which collects the longevity germ is sauerkraut. The man or woman who keeps on a diet of this kind, ought to live a century or more. Sauerkraut is very nutritious and should be on the table of everybody."

Continuing his health talk, Mr. Flynn wound up by saying: "To be healthy every minister must eat twice a week. A good many ministers only sweat once a month, when they draw their salaries."

Amateur Aeroplanes.

Very small boys of the East side have solved unconsciously the principles of the box kite and the aeroplane. They take an ordinary paper bag, cut the end out of it so that it remains merely a cylinder of paper, tie a short bit of string to the end where the bottom used to be for a tail, then attach the end of a spool of thread to the opposite end of the bag. The improvised kite flies easily and steadily as high as the roofs of the tallest tenements.—New York Sun.
