THE PARIS FAIR, HOOD RIVER'S LARGEST & BEST STORE

Mr. E. M. McCarty, our buyer, is now in New York selecting our Fall and Winter lines of merchandise. As is our custom, we make this trip twice each year that we may be better able to serve our increasing trade. In doing this, we are not only able to get the newest and best articles on the market, but we are able to buy them at the very lowest prices, which accounts for us being able to sell you goods at a good deal less than you can get them from your merchant that is compelled to buy from drummers; besides we get to see the entire line and note the styles, where, through the drummer, you have to rely upon what he tells you and live practically "in the dark" until your goods arrive and you go to open

them up and find that they are not just what you expected they would be.
 We carry the very latest and in all grades; if you want something good we have it, and if you want a low priced article we have that also. You will always find our prices the lowest and we will treat you right, as our many customers will tell you. As to our qualities, all that we ask is to have you use your own good judgment as to quality and value and not think that because we do not ask you two prices for an article that it is not as good as you want.
 We buy for cash and sell for cash and mark our goods at this basis, not having to charge you any extra for bad accounts or extra book

keepers' hire, which makes it easy for us to give you the goods at a big saving.
 Thanking all our old customers for liberal patronage in the past and trusting that the past experience will merit a continuance of yours as well as of your friends we remain,
 Yours to please,
THE PARIS FAIR.
