J. N. Mosier is having a reservoir constructed on his residence property which, when completed, will furnish the town for years to come with sufficient water for household and irrigation purposes. A pipe line will be connected from a large spring which Mr. Mosier has recently acquired and with this added supply Mosier residents will have plenty of water for their lawns and gardens without working their sprinklers overtime.

Mrs. Root Entertains

Mrs. Amos Root entertained a number of her friends at her residence Tuesday, June 18, the occasion being her 62nd birthday. She was assisted in receiving her guests by her granddaughter, Emily Husbands, and her daughter, Mrs. Rorden, assisted in the preparing of the sumptuous dinner which was served at 12:30.

The ladies, some of them being in poor health and others old enough to know what they should eat, forgot for a time their ailments and partook of the dainties as children.

The combined ages of those seated at the table was 659 years. The afternoon was pleasantly spent and the guests departed wishing Mrs. Root many more happy birthdays.

Those present were Mr. and Mrs. Amos Root, Mesdames Middleswart, Stewart, Wood, Porter, Cobb, McVey, Reeves and Hunter.

The Elks are making great preparations for the reunion to be held in Portland July 8-13. An elaborate decoration scheme is being worked out, the main streets being dressed in the national colors and in the royal purple of Elkdom. Many thousands of visitors from all over the country will visit Portland that week and the Portland lodge has made preparations to care for all who come.
