Tonic— Alterative

What is a "tonic"? A medicine that increases the strength or the tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparillaentirely free from alcohol. Ask your doctor about it.

Bilious attacks, sick-headaches, indigestion, constipation, dizzy spells-these are some of the results of an inactive liver. Ask your doctor if he endorses Ayer's Pills in these cases. The dose is small, one pill at bedtime. Made by the J. C. AYER CO., Lowell, Mast.
