An exchange says that a Western editor received the following letter: "Please send me a few copies of the paper which had the obituary and verses about the death of my child a week or so ago. Also publish the enclosed clipping about my niece's marriage. And I wish you would mention in your local columns, if it don't cost anything, that I have two calves to sell. As my subscription is out, please stop my paper. Times is too hard to waste money on newspapers."

Martin Schacht, of the firm of Emil Schacht & Son, architects and engineers of Portland, was in town on Wednesday, having come up to consult Mr. M. A. Mayer in regard to the plans for a residence which he intends to build at Mayerdale to replace the one burned earlier in the season. While giving no definite information as to the plans, it was intimated by both Mr. Mayer and Mr. Schacht that the new house would be built in Colonial style and sufficiently commodious to accommodate the many parties who make week-end visits to Mayerdale during the summer season. Work on the building will probably commence this Fall.
