PACKING SCHOOL

The Mosier Fruit Growers Association announce that they propose to conduct an apple packing school at their warehouse, under the direction of one of the most practical packers in the Northwest.

The coming apple crop will be a large one and there will be a good demand for packers at good wages, and this will be an excellent opportunity for anyone, of either sex, interested in the fruit business, to learn the art of packing.

A small charge will be made for the course to defray expenses.

The meeting of the Pacific Highway Association, held at Portland last Sunday, was attended by about 50 delegates representing the various sections of Eastern Oregon thru which the proposed highway from British Columbia to Mexico will pass.
