Citizens Will Meet

A meeting of the citizens of Mosier and surrounding country (the people of Ortley are cordially invited) will be held next Wednesday evening to discuss plans for carrying out the project of a boat landing. Funds and labor have been subscribed but there has been no meeting and no report made lately and it is not generally known how much more will be required to assure the landing. It is earnestly hoped that the meeting will be attended by every citizen who has any interest whatever in the district, for by united effort only will anything permanent be accomplished. It is not right to expect one or two citizens to do all the work and bear the expense of a public movement that benefits all. Therefore let every one do his share and we will have a boat landing.
