Miss Priscilla Foster arrived in Mosier Tuesday evening from California, where she has been visiting for several months. She will spend a fortnight here with her sister, Mrs. H. G. Kibbee, and will then go East for the winter.

J. K. McGregor arrived last Friday from British Columbia, where he and his wife have been sojourning for the past two months. Jack will remain here a few weeks and then return to B. C., and later he and Mrs. McGregor will probably come back to Mosier for the winter.

Go to Stroup's Hall tomorrow night and see and hear that rarest of rare animals—a Scotch-nigger--the only one on the American continent. This will positively be his "last appearance" on the Mosier stage.

Don't forget that tomorrow is the day set apart by Gov. West as "clean-up" day. Mosier certainly needs cleaning up and every citizen should do his part in helping to give the town a cleaner, neater appearance by clearing away rubbish of all kinds from his own premises and helping to clean up the streets and unoccupied lots, especially of all inflammable material, thus reducing to a minimum the danger of fire. This should be done for the general welfare of the town.
