Messrs. J. E. Cole, H. M. West and J. N. Mosier, went to The Dalles Wednesday to present to the county court a petition for the incorporation of the town of Mosier. The matter will no doubt be acted upon at this term of court and, as there is every reason to believe the decision will be favorable, it is safe to predict that an election will be ordered in the near future in order that the citizens may decide by ballot whether or not they shall assume the duties and responsibilities of a municipality. Although there was a remonstrance filed, there is no doubt that the vote for incorporation will carry by a very comfortable majority.

Interesting Sunday School Items

[Contributed.]

The Beginners' Class of the Union Sunday School has held the banner two months for having the highest average attendance, but the whooping cough was too much for them last month, and Mrs. Robinson's class of boys were the winners this time. John Lelliott's class coming a close second.

The report as rendered by the secretary last Sunday for the average percentage of attendance on the enrollment of each class, and also the teachers for the month of April, was as follows:

- J. O. Barnett.....82 1/2%
- J. R. Hargreaves....74 1/2
- John Lelliott.....85 1/2
- Dr. Robinson.....83 1/2
- Mrs. Allington.....83 1/2
- Mrs. Robinson.....90
- Mrs. Root.....81 3/4
- Mrs. Davidhizar.....74 1/2
- Teachers.....81 1/2

Pretty good average considering the "whooping" going about in the neighborhood.

Dr. Robinson was absent in Portland, the associate superintendent having charge of the school. Mrs. Allington was absent on a vacation. Dr. Robinson's class spent the lesson period time visiting the Primary Department.

The country people were again in the lead in attendance, but the town people are crawling up some; they were closer together than the previous Sunday.

When are you going to join our "Happy Family?" Next Sunday? We hope so.

Church of Christ Notes.

We are glad to announce to the Mosier people next Lordsday morning, we expect to speak on this subject: "Is the Influence of the Bible Waning?" In the evening on "What a Little Girl Did."

Our evening meetings will begin at 8 o'clock. Don't think it is 8 until it is 8.

Is the Bible the infallible Word of God? When you answer that question yes or no, we are ready to ask you another one.

How about Bible School for next Sunday?

Minister of the Home Church.

RECITAL PLEASING

The Immanuel Church was well filled on Tuesday evening to hear the recital given by the members of Miss Huntington's music class, assisted by several talented local artists.

The members of the class acquitted themselves remarkably well, showing not only latent musical ability, but reflecting much credit on Miss Huntington as an instructor. Particularly was this so of little Arvilla Husbands, who had received but seven lessons.

The class numbers were interspersed with piano and violin selections by Miss Clark and Mr. Robert Scarse, and songs by Mrs. R. M. Ross, Mrs. Edna Evans, Mr. Thos. Lelliott and Arvilla Husbands.

At the conclusion of the program Rev. H. C. Clark made a few happy remarks and closed by presenting to Miss Huntington, on behalf of her pupils, a box containing a flowered glass powder jar and cologne jar, as an expression of their esteem and appreciation of her untiring efforts in their interests.

Three Ways to Buy Clothes

You buy your clothes in one of three ways. Which do you think is the best way?

1. You may go to a custom tailor and have them "made to order." You have delays; "try-ons." You don't know what you're going to get; and if he is a cheap tailor you don't get very much.

2. You may pick out a piece of cloth from a book of samples; send your specifications away somewhere, and wait. If the suit "makes up" as you expected, if it is trimmed as you hoped, if it fits as you want it to, you are lucky.

3. You may come to us for HART, SCHAFFNER & MARX CLOTHES. See them ready, not merely a piece of cloth; see how

they look on you, not in an illustration or on a dummy figure; see the linings and trimmings, not merely words about them; see how the suit fits before you buy, not after; see if it is becoming to you, not just guess at it; and take only a few minutes of your time.

This third way is right: You pay less than in one, and get more value than in 2. As a demonstration of it, let us show you some of our H. S. & M. Suits for \$18, \$20, \$22 and up to \$25.

Or, if you want something that is guaranteed all wool and to give you perfect satisfaction in every way for less, we recommend our CLOTHCRAFT Line, that sells for \$10, \$11 and up.
