is A Wonder In the Blood

A Remedy That Has Shown a Most Remarkable Purifying Effect.

The word medicine is one of the most abused in our language. There are cer-tain medicinal properties just as neces-sary to health as the food we eat. Take, for example, the well-known tonic medi-cine S. S. S. This famous blood purifier contains medicinal components just as vital and essential to healthy blood as

the elements of wheat, roast beef, the fats and the sugars that make up our lally ration.

As a matter of fact, there is one in-As a matter of fact, there is one ingredient in S. S. which serves the active purpose of stimulating each cellular part of the body to the healthy and judicious selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming ecema, rash, pimples, and all skin afflictions.
