SCHOOL NOTES

School begins next Monday.

Miss Dorothy Little, of Minneapolis, Minn., and Miss Bennett, of Wisconsin, are here, ready to begin their school work.

School opened last Monday in the Greenwood District, with Miss Wolf, of The Dalles, as the teacher.

Mr. Ahern, who taught the school in District No. 8 last year, has been engaged for the coming term, and is expected to arrive tomorrow.

Rain this week has put a stop to prune picking. This also delays the packing, the packers being laid off yesterday noon. There are perhaps two more car loads to be picked, but it is not thought that they will be injured by the rain. The Association has so far shipped seven cars of prunes to eastern markets. Two cars went to Kansas firms who bought Mosier prunes last year, paying the top price for them. Owing to market conditions at that time, the firms lost money on the prunes, but came right back for more this year, realizing that Mosier prunes are all right and eagerly sought for. The prices received by the growers are very satisfactory.
