**INCOME TAX TO** 

Federal Officers to Determine Reasonableness.

Washington, D. C .- According to estimates by treasury experts, 425,000 American residents must report to the income tax collector next spring exactly how much they owe the government under the new income tax law. The tariff bill, in which the law is

embodied, will not be signed until OLMES revenue collectors before March 1, is he?" Helter-"Not much. Able definite shape. Then paste over and 1914. When the returns are made to locate stock purchasers."-Life. the patch will not be noticeable. BUSINESS COLLEGE they will cover the incomes of citizens VASHINGTON & TENTH STS from March 1, 1913, to December 31, PORTLAND. ORE .. and the first payment of tax will be for money received during this period. Every single person (citizen or foreigner) whose annual income exceeds \$3000 and every married person with an income above \$4000 is expected to report his or her receipts in detail to the government agents March 1 of each year. The estimate completed indicates that the income tax will produce \$82,298,000 from the 425,000 persons taxed. To this will be added he \$35,000,000 or more produced by the present corporation tax, which is continued as part of the law. The ncome tax estimates follow

l	Incomes- N	umber.	Total ta
l	\$3000 to \$50001	26,000	\$ 630,0
l	\$5000 to \$10,0001	78,000	5,340,0

of the supreme court and inferior courts now holding office and employes 'of a state or any political sub-division thereof," are the only persons specifically exempted from the tax by he new law.

The president and judges now in office were made exempt to escape any questions of the constitutionality of the law and their successors in of-fice will be compelled to pay the tax. Two primary methods of collecting the tax are contained in the law. One is the individual return made by the citizen; the other the returns by corporations and other employes who pay their employes' taxes "at the source Under the law as it will be signed by President Wilson next week, every large company employing labor will be compelled to report any regular salaries it pays in excess of the \$3000 There's only one place where you can't

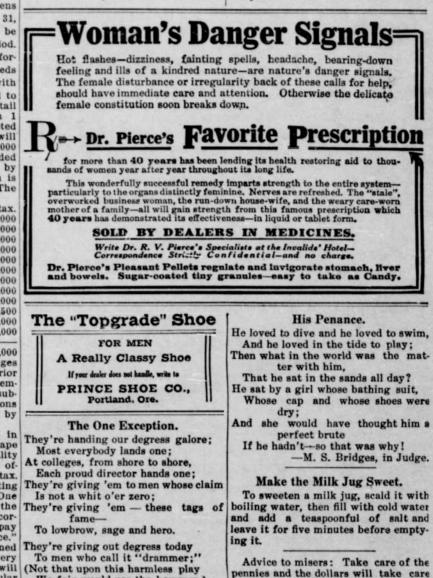

be compensed in excess of the \$3000 salaries it pays in excess of the \$3000 figures and will pay the taxes for its employes and deduct the tax from their pay envelopes. gray hair without the use of dye.

A well-known New Yorker of while experience has written a book telling how the tobacco or snuff habit may be easily and completely ban-ished in three days with delightful benefit. The health improves wonderfully after the nicotine poison is out of the system. Calmness, tranguil sleep, clear eyes, normal appetite, good direction, manky vigor, strong memory and digestion, manly vigor, strong memory and a general gain in efficiency are among the many benefits reported. No more of that nervous feel-

Ing; no more need of pipe, cigar, cigarette or chewing tobacco to pacify the morbid desire. The author, Edw. J. Woods, 534 Sixth Ave., 159 B, New York City, will send his book free on appliation, to anyone who writes to him.

#### Not Triplets.

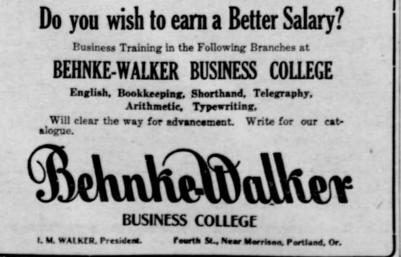

My little grandson was told by his mother to run across the street and inquire of a lady who was going by with three little babes in a cart if they were triplets. He soon came back, looking much disappointed, and said: "No, they are not triplets. They were born the same day, but two They were born the same day, but two of them are girls and the other is a Okanogan, Olympia, Republic, Seatboy."-Exchange. tle, Tacoma and Walla Walla.

dent might be expected to do

#### Big Eagle Ties Up Phones.

Spokane .- The long-distance service In the Blood of the Interstate Telephone company was badly disarranged Saturday by an eagle. The service "went bad" on the A Remedy That Has Shown line between Spokane and Coeur d'Alene. As near as could be estimated by the instruments which serve for a Most Remarkable testing purposes, the trouble lay about six miles this side of Coeur d'Alene. Trouble Hunter Ramon traced the The word medicine is one of the most wires and discovered a monster eagle

The word medicine is one of the most abused in our language. There are cer-tain medicinal properties just as necess sary to health as the food we eat. Take, for example, the well-known tonic medi-cine S. S. This famous blood purifier contains medicinal components just as vital and essential to healthy blood as the elements of wheat, roast beef, the fats and the sugars that make up our daily ration. The word medicine is one of the most wires and discovered a monster eagle at the top of a pole. He disabled the eagle with rocks. Then he discovered the bird had attached to one of its feet a large steel trap and about ten feet of chain. Hazing Brings Riot Call. St. Louis.—The antics of six Wash-
