Here is a chance to get a Standard Hot Point Electric Iron for less than cost. Read further and learn how.

We have made arragements with the Prcific Power & Light Company, of The Dalles, to furnish these Irons to the patrons of the company, with the MOSIER BULLETIN, at less than cost. Here is the plan: The Iron retails at \$2.50. The yearly subscription price of the BULLETIN is \$1.50 -- \$5.00 for the two, if taken separately. We are offering the BULLETIN and the Standard Hot Point Iron for \$3.50-2 the price of the Iron alone, to all who pay up their arrearages, to all renewals, and to all new subscribers to the BULLETIN for cash.

This offer is made for a limited time and its object is threefold---to introduce the Iron into all the homes where electricity is used, where the Iron is not supplied; to induce our subscribers to keep their subscriptions paid up; and to give conconsumers of electricity an opportunity to secure one of these Irons --- a boon to the housewife --- at less than cost: Call at the BULLETIN office and inspect these Irons.
