TALKS TO FRUITGROWERS

Owing to unfortunate circumstances, only a few citizens welcomed C. F. Malboen, manager of the Fruitgrowers Transportation League, and Tom Richardson, general all-round booster for Oregon, both of Portland, in Chown's Hall Wednesday afternoon, but those who did attend considered themselves fortunate in attending and listening to the splendid talks made by these gentlemen.

Mr. Malboen's theme was transportation of crops and the direct benefits accruing to the fruit raiser and the farmer by reduction of the cost in transportation by water. He told of the great saving in this respect by the opening of the Panama Canal and the open Columbia River from the head of navigation to the sea, and the increased demand for our fruit in foreign countries, caused by the cheaper transportation and the lower cost to the consumer. His discourse was most interesting and instructive and full of optimism for the future of the fruit industry.

Mr. Richardson, in his happy manner, dwelt on the past and present conditions in Oregon and the Pacific Northwest. We lack space in which to quote him fully, but one thing particularly impressed his hearers, and that was his reference to local affairs in all country towns. He said, what the Bulletin has repeatedly urged, that there should be more of a get-together spirit manifested by the people of every community, and advised the ladies to take a greater interest in the newcomers to their town and vicinity, extend the welcoming hand, call on them and invite them to call, and make them feel at home. This goes far toward making the stranger contented.

It is hoped that these gentlemen may be induced to return to Mosier in the near future, when a general turn-out of the people of the town and country can meet them.

C. L. (Farmer) Smith, of the O-W. R. & N. demonstration department, was present at the meeting but did not speak, owing to the limited time.

ORDINANCE NO. 3.

An ordinance entitled "An ordinance to prevent certain animals and fowls from running at large and from being herded or picketed, upon the property, highways or public property of the City of Mosier, and providing for the impounding and sale of such animals or fowls."

Be it Ordained by the Common Council of the City of Mosier:

SECTION 1. No person or persons, owning or being in possession of any horse, mare, gelding, mule, cow or cattle, sheep, hog, goat, chicken, turkey, geese, duck, shall permit or allow same to run at large within the corporate limits of the City of Mosier, or shall permit or allow the same to be herded, staked or picketed, upon any street, avenue, alley, road, highway or public property of said City of Mosier; and it shall be the duty of the marshal to take up any such animal or fowl found running at large, or staked or picketed, contrary to the provisions of this ordinance, and impound the same in some place to be provided by the city or by the marshal. At any time thereafter, prior to the sale of such animal or fowl, as hereinafter provided, the owner or person entitled to possession thereof, may have the same released upon the payment of the fees hereinafter allowed the marshal for such impounding and the necessary and reasonable charges and expenses which shall have been incurred in keeping and caring for such animal or fowl.

SECTION 2. Upon taking up and impounding any animal or fowl, under the provisions of this ordinance, the marshal shall forthwith prepare four notices, which shall be substantially as follows, to-wit:

Notice is hereby given that I did, on the ... Day of ... 19... in the City of Mosier, Oregon, take up and impound (here give description of property taken up and impounded) and I will, on the ... day of ... 19... at the hour of ... of said day, in front of the City Hall in the City of Mosier, Oregon, sell said property at public auction, to the highest bidder for cash in hand, for the purpose of paying fees, costs and expenses legally incurred in taking up, impounding and keeping said ... (here insert description of property) and the costs and expenses of making said sale.

Signed: Marshal of the City of Mosier. One of said notices shall be posted in the office of the Recorder of the City of Mosier; one shall be posted in front of the City Hall; one shall be posted at the postoffice in said city, and one shall be mailed to the owner or owners, or person entitled to the possession of the property taken up and impounded, if known to the marshal; such notices shall be posted and mailed not less than ten days before the time set for the sale therein. At or before the time of such sale, the marshal shall a copy of said notice of sale with his certificate attached thereto showing the time and place of posting and the date of mailing said notice, together with the name and address of the person to whom said notice was mailed, or that the name and address of the owner or the person entitled to the possession of said property is unknown; provided, that all such property shall be sold subject to the right of the owner or person entitled to the possession thereof, to redeem the same within thirty days after the date of such sale, upon payment to the purchaser of the amount bid by him for said property, together with interest thereon at the rate of ten per cent per annum, and his reasonable costs and charges for keeping such property.

SECTION 3. Anyone having any interest in the property taken up and impounded, who shall feel aggrieved thereby, may at any time before the sale thereof takes place, make an affidavit before the Recorder of Mosier, setting forth his interest in such property and the facts in relation thereto as claimed by him, and have the same tried out before the said Recorder, and if it appear to said Recorder that said property ought not to have been taken up and impounded, the Recorder shall make an order discharging the property so taken up and impounded, without charge to the claimant. If on the other hand it shall appear to the Recorder that the impounding was proper and rightful, he shall dismiss the proceedings and enter up a judgment against the claimant for all costs, charges and expenses made on such trial, and the same shall be paid out of the proceeds of the property taken up when sold, and if the said property shall not be sufficient to pay the same, the Recorder shall issue execution upon the judgment for whatever sum remains unpaid.

SECTION 4. The marshal shall, upon the sale of any property, file a certified statement with the Recorder of the City of Mosier containing: 1st. A brief description of the property sold; 2nd, the amount received for the same; 3rd, the name or names of the purchasers thereof; 4th, an itemized statement of his own and recorder's fees, charges and expenses; 5th, the amount paid to the treasurer; which statement shall be entered in a book kept by the Recorder for that purpose, and shall be at all times open for inspection by any party interested.

SECTION 5. The proceeds of any sale shall be paid forthwith by the marshal to the treasurer of Mosier, less his own fees, all costs, charges and expenses, and the fees of the Recorder; the marshal shall file a receipt therefor with the Recorder. In all cases where the amount received upon the sale of any animal or fowl, or from the fines imposed under the ordinance shall not be sufficient to pay the fees, expenses and charges of the marshal and recorder, the amount so received shall be apportioned between said officers in proportion to the amount due each, and the City shall not be liable for any greater amount.

SECTION 6. The marshal, besides the actual expenses of keeping an animal or fowl taken up and impounded under this ordinance, shall be entitled to recover as his legal fees the sum of one dollar per head for horses, geldings, mares, mules and cattle; fifty cents per head for swine, sheep and goats, and ten cents for each fowl, together with ten per cent of any and all sales made under the provisions of this ordinance.

SECTION 7. The Recorder of Mosier shall receive as his legal fees under the provisions of this ordinance, ten cents for filing notice of sale, ten cents for filing the certified statement of marshal, ten cents for filing the same; fifty cents for docket entries in any one case, and three dollars for hearing any contested case, to be paid by the contestant in advance.

SECTION 8. The owner or owners of any property sold under the provisions of this ordinance, shall at any time within one year from the date of sale, upon satisfactory proof to the Common Council of such owner ship, be entitled to and order upon the City Treasurer for the proceeds of such sale, deposited as aforesaid.

SECTION 9. Every person violating any of the provisions of Section 1 of this Ordinance, shall upon conviction thereof before the recorder of Mosier, be fined not less than one dollar, nor more than twenty-five dollars for each offense.

ATTEST: P. L. ARTHUR, Recorder Approved this 25th day of February 1914. DAVID ROBINSON, Mayor

TO THE PURCHASING PUBLIC

It is a well known fact that the purchasing public, now-a-days, is exacting and discriminating. People realize that a cheap grade of any article is a poor investment at any price and not worth carrying home; that it pays to get the best at whatever cost, within reason. Advertisers also appreciate this fact, and the business man who understands his business and the wants of his customers will label his "cheap" goods as such; the best grades speak for themselves and do not need "boosting" to sell.

Many papers—the Bulletin being one of them—insist on carrying "ads" which are genuine; that is, in which the advertiser guarantees his wares. We want no fake ads. We want to be able to tell our readers that our advertisers, at home and abroad, can be depended upon to give them the worth of their money. We point with pride to the standing of our advertisers and the reliability of the goods which they offer for sale. This is worth something to the purchaser when he looks over the columns of the Bulletin to see what it has to offer in the way of bargains.

We call our readers' attention to the advertisements appearing in this issue. We feel perfectly justified in assuring the buying public that they need have no fear of being "bilked" by patronizing them. We like to know that those who do patronize the Bulletin's advertisers are satisfied customers; that the advertisers themselves feel that they are pleasing their patrons and getting good results by using our columns in placing their goods before the consumer. It is a satisfaction to the buyer to know that he is well treated, a pleasure to the advertiser to know that he and his goods give satisfaction, and a gratification to the publisher that his paper is the medium thru which these happy results are obtained.

Therefore, read the Bulletin's advertising columns and profit thereby. Several of the ladies of Mosier were very hospitably entertained at the home of Mrs. J. E. Cole on last Friday evening. The purpose of the gathering was for discussing the question of organizing a ladies auxiliary to the Mosier Commercial Club. We are sure they will receive a most cordial welcome at some of the booster meetings, both in work and in helping to rebuild the social life of Mosier.

Pacific Power & Light Co. "ALWAYS AT YOUR SERVICE."

What is the Meaning of TUM-A-LUM? Like a good many words in English "Tum-A-Lum" is derived from a great many languages. Or really from the Chinook Indian meaning "See, or Water." Tum-A-Lum has come to mean: In French, "To Excel." In Dutch, "Handle the Best of Grades." In German, "Service." In Irish, "Quality." In Spanish, "The Best for the Money." Put all of the above meanings together and you have the meaning of Tum-A-Lum in English. In the Language of Mosier Tum-A-Lum stands for the most up-to-date Lumber Yard in the city.
