### ANGEROUS OUT-DOOR SPORT

In Seattle, Wash., the other day an affectionate young chicken leaned over and kissed and hugged the good looking chauffeur driving the car. The chauffeur did just what any young man might be expected to do under such circumstances—he lost control of his car and it turned over killed the affectionate young lady and also a young man sitting in the back seat, while the chauffeur and another girl that was in the car are both in a serious condition. All this trouble from one little kiss. For Pete's sake, girls, confine that stuff to the hammock if you love your life and liberty.—Exchange.

Likewise, young men, especially Mosier swains, don't look backwards while running your car and being fed peanuts by the little girl in the back seat.

## Attention Housewives.

Here is a chance to get a Standard Hot Point Electric Iron for less than cost. Read further and learn how.

We have made arrangements with the Pacific Power & Light Company, of The Dalles, to furnish these Irons to the patrons of the company, with the MOSIER BULLETIN, at less than cost. Here is the plan: The Iron retails at \$3.50. The yearly subscription price of the BULLETIN is \$1.50—\$5.00 for the two, if taken separately. We are offering the BULLETIN and the Standard Hot Point Iron for \$3.50—the price of the Iron alone, to all who pay up their arrearages, to all renewals, and to all new subscribers to the BULLETIN for cash.

This offer is made for a limited time and its object is threefold—to introduce the Iron into all the homes where electricity is used, where the Iron is not supplied; to induce our subscribers to keep their subscriptions paid up, and to give consumers of electricity an opportunity to secure one of these Irons—a boon to the housewife—at less than cost. Call at the BULLETIN office and inspect these Irons.
