It is an admitted economic fact that there can be no permanent prosperity without a permanent agriculture.

An up-to-date farmer must have an accurate knowledge of today and a clear vision of tomorrow.

In this age of advancement in agricultural science there is no excuse for soil depletion to further menace the nation's prosperity.

**A SOLID GOLD WALTHAM WATCH FOR \$21.00.**

Everybody knows that the word "WALTHAM" in a watch assures absolute accuracy and dependability.

But not everybody knows that there are solid gold Waltham watches which will last for 25, 30, 40 and 50 years.

I have an assortment of the new Waltham "Watch" which for non-sold it is a most beautiful, polished case—both, the metal and the dial.

Immense strength is imparted to the watch by the patent metal pressure inside the case. This is an absolutely exclusive feature, and thoroughly protects the works from injury and enables me to sell you a superbly accurate and durable watch for about half the price ordinarily paid for such a timepiece.
