Complaint is being made that some person or persons have been in the habit of dumping tin cans and other rubbish along the public road above the school house. This should not be allowed, as it is most unsightly. The rubbish is dumped any old place along the road with no apparent object of filling up holes, or getting it out of sight. There should be a dumping ground, removed from public view, where trash can be disposed of without offending the sight of passers by.

The court has already drawn \$50,000 of the \$75,000 bond issue, but not all of this has been expended.

The weather has been unusually favorable and work has at no time been interrupted by the elements. When the snow comes the rock work will still be continued, although the excavation and grading will have to be deferred until Spring. The county court is not anxious that any more of the grading than necessary should be done this Fall, because of the heavy wash during the winter.
