The Finishing Touch.  
The young man hesitated to believe the statement of her little brother that the young lady was not at home. He repeated the question, at the same time displaying a quarter. The boy eyed it longingly and again replied in the negative.  
"But didn't she leave a message for me?" asked the disappointed avain.  
"Yes," said the lad—and nothing more.  
As one who sees a great light, the young man tossed him the coin.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.  
For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Banish the "Blues!"  
If you have that depressed feeling it's more than likely that your blood is out of order—impoverished or poisoned.  
There is only one thing that will allow your present condition—that is to restore your stomach to normal health and strength. For a weak or diseased stomach cannot make good blood. If your digestion is bad your food will not make the good blood which nourishes body, brain, heart and nerve.

Dr. Pierce's Golden Medical Discovery helps the stomach to do its work naturally and properly. Stimulates the liver. The system is freed from poison. The blood is purified. Every organ is rejuvenated. Instead of the "Blues," you feel fit and strong, equal to any task or up to any pleasure.  
This great remedy has proved its worth year after year for over forty years. Let it prove its worth to you. Sold by medicine dealers in tablet or liquid form or send \$5.00 for trial box by mail.  
Send 21 one-cent stamps to pay cost of mailing you a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, clothbound. Address Dr. V. J. Pierce, Buffalo, N. Y.

Dent's For Dancers.  
It takes more than rules to produce good conduct. Where a proper spirit prevails rules are superfluous. This is particularly true in regard to dancing. When people of refinement dance with their friends they do not need any long list of rules and regulations hanging before their eyes. Their natural sense of the fitness of things insures an observance of all the proprieties. Unfortunately an innate sense of modesty and of the fitness of things can not be trusted to regulate the public dance hall. Here rules are necessary to insure an observance of the proprieties.  
The public dance hall inspectors of Elizabeth, N. J., have set forth succinctly correct rules for partners in five "don'ts." They could not be put more neatly:  
Don't hop.  
Don't dip.  
Don't breathe in the lady's face.  
Don't hold the lady too close.  
Don't wave the arms up and down.  
All forms of dipping and "rolling of the shoulders" are forbidden by the dance censors as vulgar. These restrictions should not spoil the sport, for the average patron of the dance hall.—Francis Frear in Leslie's.

## HOW TO SUCCEED

During the last few years, conditions in all lines of business, even professional life, have changed so completely that every man is waking up to the fact that in order to win success he must specialize and learn to do some one thing and do it well.  
So it is with any article that is sold to the people. It must have genuine merit or no amount of advertising will maintain the demand for the article.  
For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy. From the very beginning the proprietors had so much confidence in it that they invited every one to test it.  
It is a physician's prescription. They have on file thousands of unsolicited letters received from former sufferers who claim they are now enjoying good health as a result of its use.  
However, if you wish first to try a sample bottle, address Dr. Kilmer & Co., Binghamton, N. Y., enclose ten cents and mention this paper. They will promptly forward you a sample bottle by Parcel Post.  
Regular sizes for sale at all drug stores—fifty-cents and one-dollar.

Not Forgetting Blackwell's.  
"What are the most important islands on the globe?" asked the geography teacher.  
And without hesitation the boy from New York answered: "Ellis, Manhattan and Coney."—Washington Star.

## NORTHWEST MARKET REPORTS.

Portland—The egg market is holding steady at the 125-cent basis for large lots, case count. Efforts have been made by some dealers to break the price still further, but without success, as receipts so far have not been heavy. It is only the backwardness of buyers that has brought the market to the present level.  
There was a little better demand for poultry and the market was a shade firmer. Dressed meat receipts were small and the market was quiet.  
There is a very fair movement in the apple market. Dealers report a better demand for dollar fruit than any time this winter. Heretofore the inquiry has been almost wholly for the cheaper apples.  
The big January buying movement in the hop market appears to have extended into February, although dealers report a slowing down of operations with some of the more important buyers withdrawn from the market.  
The Pierce Riggs crop of 197 bales, at Independence, was sold to Durbin & Conroy at 12 cents. Dorcas Bros. bought the Twin Woo crop of 314 bales at Salem at 12 cents.  
H. L. Hart bought the Wolf lot of 96 bales at St. Louis at 12 cent, 43 bales from W. Johnson of Clatskanie, at 11 cents, the Balch crop of 40 bales at Silverton, at 11 cents, and the old and new hops of Gearin & Vandall, of Newberg, paying 11 cents for 60 bales of 1914s and 6 cents for 35 bales of 1913s.

Tacoma—Sugar continues its upward climb. Dealers predict another advance of 15 cents on all varieties, and say they are unable to determine when the advance will end. The soaring of sugar is in line with the New York market.  
Local jobbers attribute the stiff advances to foreign demands. England drawing heavily upon the United States. The British Isles formerly relied greatly upon Germany for supplies of beet sugar and with the war in progress has been forced to turn to other sources.  
The Canadian demand for United States butter will be curtailed by shipments of this commodity from New Zealand. A shipment of 10,000 cubes is expected at Vancouver soon. The New Zealand product costs 31 1/2 cents laid down in Vancouver. This butter has been found wanting, say dealers.  
The local produce market had no outstanding features. Green stuffs are in good supply now and are proving popular.

Quick Relief When Utterly Worn Out  
Getting the Blood in Order Is Required By Most People.

Boss of His Household.  
The man who is boss of his household is a bachelor who does his own work.—Exchange.

If you think you have gone to smash and it's only for the discard, try S. S. S. for the blood. It will surprise you to know what can be done for health once the blood is released of the excess of body wastes that keep it from exercising its full measure of bodily repair.  
If you feel played out, go to any drug store and ask for a bottle of S. S. S. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scatters germs right and left, up and down and sideways.  
You feel better at once, not from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine.  
The ingredients in S. S. S. serve the active purpose of so stimulating the cellular tissues of the body that they pick out from the blood their own essential nutriment and thus repair work begins at once. The relief is general all over the system.  
Do not neglect to get a bottle of S. S. S. today. It is prepared only in the laboratory of the Swift Specific Co., 529 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.
