ADVERTISING RATES

Table with advertising rates: Professional Cards per month \$.50, One square 1.00, One-quarter Column 3.00, One-half Column 5.00, One Column 10.00

Business locals will be charged at 5 cents per line for each insertion.

Legal advertisements will in all cases be charged to the party ordering them, at legal rates, and paid for before affidavits are furnished.

Advantages of Silage

- 1. The value of a crop preserved by the use of a silo is increased about 40 per cent. over that of a crop harvested in the usual way.
2. At a conservative estimate, two cows can be kept by feeding silage at the cost of one cow from the same acreage, fed on hay or other roughage.
3. The moderate cost of husking into silos compared to the cost of making hay, husking corn, or shredding fodder.

Death of Herbert S. Bolton

Herbert S. Bolton, a member of the firm of The Dalles Abstract Co., of which Simeon Bolton, his father, is the senior member, passed away at his Alford street home Friday afternoon in The Dalles at 3:30 o'clock after an illness lasting only since Monday, his death due to peritonitis coming as a great shock to his many friends and acquaintances.

In honor of Mr. and Mrs. Arthur Keel and family who have purchased the Smith property on the county road a mile east of the city, a dance has been planned by friends for Saturday night at their house which has been recently built. Everyone is invited to come and meet the newcomers.

Jackson Graham arrived Tuesday night from Portland and will remain here until the rock crusher opens. The plant will run probably for two months. It will be two weeks at least before operations commence. Mrs. Graham and child are visiting at the home of her parents in California.

Forrest Isom, son of Mr. and Mrs. C. C. Isom, who is attending high school in The Dalles, was one of the three stars in a track meet last week between Hood River and The Dalles at Hood River when The Dalles high school won by the score of 70 to 25. Mr. Isom will be graduated next week.

Dudley Pierrey, who recently passed the examinations for brakemen at The Dalles, is now running out of The Dalles to Umatilla. He came down yesterday for a short visit.

OFFICIAL COUNT FOR WASCO COUNTY

Following is the official count of the votes cast in Wasco county at the primary election on May 19, 1916:

Saint Nicholas' magazine, March, 1916.

Scribner's magazine, March, 1916.

The circulation of the Mosier library was 281 last month. For the month of April last year the circulation was 245.

Knoll Takes Out Final Papers

Final naturalization papers were taken out Monday by P. A. Knoll in The Dalles. Mr. Knoll, who is now an American citizen and entitled to all the rights and privileges, was born in Elburg, Holland. He came to the United States in 1909 and has resided in this country, Mr. Knoll, who speaks English fluently, stated that he had learned the English language in England where he had been employed. He worked also in France and Germany. His father still resides in Holland.

Acting as Witnesses, Lee Evans and L. Lamb accompanied Mr. Knoll to The Dalles.

Arthur Kuhn motored to The Dalles Saturday on business.

RAINS POSTPONE JUNKETING TRIP

On account of the bad condition of the Columbia River highway east of the Multnomah county line in the vicinity of Cascade Locks the junketing trip planned to Portland by The Dalles Chamber of Commerce has been postponed. Incessant rains for three days this week has made a portion of the road about two miles east of the Multnomah county line in Hood River county nearly impassable. Secretary T. B. Phillips had been making the plans for a big demonstration on Thursday of this week when the automobilists from the various districts of the county would go to Portland in a procession to demonstrate that the reports that the highway was impassable beyond Hood River, were without foundation.

Two cars came into The Dalles the first of the week, stated Mr. Phillips, which had been stuck in the mud up to the running boards. The rains have caused slides of mud to obstruct the roadway, and on this account it has been necessary to postpone the trip indefinitely. The Portland Chamber of Commerce had made arrangements to meet the Wasco county junketers.

No definite date has been set for the trip, but the time will be announced as soon as the rainy period is over. Secretary Phillips stated that each day he receives more encouragement regarding the professional. The autoists are rapidly falling into line, tendering their cars for the trip.

Several owners of cars in Mosier contemplate making the sojourn and it is thought that by the time the delegation is ready to start there will be in the neighborhood of 100 cars.

TEACHERS THANK PATRONS AT MEETING

At the Parent-Teacher association's meeting last Friday afternoon at the school house, the following officers were elected for the ensuing year: President, Mrs. Jas. E. Cole; vice president, Mrs. W. A. Husbands; secretary, Mrs. C. G. Nichol; treasurer, Mrs. Bertha Johnson.

The program was opened by singing "America," followed by a farewell address by Mrs. E. E. Amsden in which she made the following suggestions to be carried out by the association: First, that a number of swings be put up for the pupils of the primary grades; second, that the association work in conjunction with the city council in cleaning up a site on Rock creek and building of tables and rustic benches for the accommodation of the auto tourists and others. A committee consisting of Mrs. W. A. Husbands, Mrs. F. A. Allington and Mrs. D. Robinson were appointed to wait upon the mayor and council.

Dr. David Robinson gave a short talk on the growth and progress of the Mosier school since he came to Mosier. Mr. Amsden also made a short talk thanking the members and the people of Mosier for the pleasant relations of the past two years.

Dr. Robinson was appointed to draw up a resolution of appreciation of the services of Mr. and Mrs. Amsden both in the school and social work of the district of Mosier.

The program committee for next meeting consists of Mrs. F. A. Shogren, Mrs. O. E. Wilson, and Mrs. D. Robinson. The program will be published in a later issue of the Bulletin.

Gruman Matched With Ritchie

Ralph Gruman, a fighter who is rapidly gaining national fame, is rusticiating at Mayerdale. Mr. Gruman is under weight and is taking life easy to gain in weight, some of which will be worked off in training for his six round bout in Portland on June 6 at the Hippodrome ice skating rink with Willie Ritchie, runner up for the championship of the welterweight title. Ritchie lost the title to Freddie Welsh in England. He will outweigh Gruman 10 or 12 pounds. Gruman is a boxer of no mean ability and will force Ritchie to extend himself to the limit to win a decision. Several local people are planning to go to Portland to witness the bout.

Gets First Shipment of Ice

Eighteen tons of ice, comprising a carload, was delivered Monday from The Dalles to S. E. Francisco, proprietor of The Oaks. On account of the cool weather during the past month the first shipment was received later than usual. Last summer Mr. Francisco disposed of 31 cars of ice and during the previous summer five carloads.

During the summer months each year, provided the weather is warm, it has been necessary to order a carload at least every six weeks, which Mr. Francisco stores in his ice house on the east end of his property.

Use the River

The Regulator Line now has two boats each stopping at Mosier daily. If you appreciate good service route your freight Regulator line. J. O. Bellin, Agent.

WASCO COUNTY IS READY TO BOND

(From The Dalles Chronicle)

By a unanimous vote at a meeting which was held at the court house Wednesday night of last week, more than 200 prominent citizens of The Dalles and Wasco county joined hands and started a movement for a \$260,000 bond issue for the purpose of building good roads in Wasco county.

The meeting was one of the most enthusiastic good roads gatherings ever held in the county, and the many expressions of prominent men from all part of the county, in favor of the bond issue, assure its passage when the special election is held to decide the question.

J. L. Kelly, president of the Wasco County Good Roads Association, presided and T. B. Phillips was secretary. Mr. Kelly announced the purpose of the election, stating that a survey had been made of the road work needed in the northern end of the county, which would require about \$125,000. He then asked for expressions from those residing south of The Dalles as to the amount needed to build a good road from The Dalles to the Jefferson county line.

H. R. Richards, president of the Farmers' union, then addressed the meeting and stated that about \$135,000 would be a good figure to set for expenditure on road work in the southern route. This amount seemed to be in accord with everyone present. Those who were called upon and who spoke in favor of the bond issue were George W. Johnston, Dufur; J. T. Harper, Tygh Valley; John H. Kingsley; Henry Bolton, Kingsley; W. H. Staats, Maupin; J. W. Hoech, Shaniko; H. C. Rooper, Antelope; E. O. McCoy, The Dalles; E. A. Race, J. N. Mosier, C. J. Littlepage, Mosier; T. A. Sammis, Mt. Hood Flat; P. W. Knowles, F. B. Ingalls, Dufur, and County Judge F. S. Gunning.

Following the various talks F. B. Ingalls, of Dufur, made a motion that a special election be called as soon as possible for the purpose of voting on a \$260,000 bond issue, \$125,000 for the northern end of the county and \$135,000 for the southern part. The motion was seconded by E. A. Race, of Mosier, and was passed without a dissenting vote. Petitions were immediately circulated and George W. Johnston, of Dufur, was the first to sign one of the petitions.

Mr. Kelly appointed a committee of representative men of Dufur, Tygh Valley, Maupin, Shaniko and Antelope to retire to the jury room and decide on the apportionment of the \$135,000. This committee consisted of Mayor P. W. Knowles, Dr. H. C. Dodds, Dufur; J. T. Harper, K. L. Houser, Tygh Valley; W. W. Staats, T. A. Connolly, Maupin; J. W. Hoech, Claud Wilson, Shaniko; H. C. Rooper and Ben Taylor Antelope.

After a thorough consideration, the committee reported the following apportionment to be satisfactory: The Dalles to Dufur, \$25,000; Dufur to top of Tygh grade, \$30,000; Top of Tygh grade to top White river hill, \$5000.

Top White river hill to Maupin, \$5000; Maupin to Shaniko, \$5000; Shaniko to Antelope, \$5000; Antelope to Jefferson county line, \$20,000.

The apportionment will be embodied in the petitions which will be circulated throughout the county, calling upon the county court to order the special election.

There were no hitches whatever in the meeting, practically everyone who attended being in favor at the start to bond the county. The action taken assures an additional \$90,000 from the state which will be spent on a new road from Hood River to Mosier.

Four Students Get Diplomas

In the eighth grade final examination held in this county on May 4-5, the following Mosier students were awarded common school diplomas: Gladys Blackburn, Mary Osee Higley, Hattie Alice Jones, Alice Shogren, and Ullman Weller. Those who failed in not more than two studies will be given a special examination in June.

Stores Will Close Memorial Day

In honor of Memorial Day the merchants of the city have mutually agreed to close their stores all day next Tuesday, May 30.

Rented

Prepare for the renting season during "Wire Your Home" month, March 15th to April 15th.

Electrically equipped houses are seldom vacant.

Insure your property against undesirable tenants or no tenants at all by having it wired for Electric Service. The investment will not be great and the income will be increased.

We have unusual inducements to offer if you arrange for the work now.
