Strauss and her sister, Mrs. Loesby, were taken for a trip to Orley. Mr. Strauss stated on his return that the sunset at this time of the year as viewed from Gardner's Point is simply gorgeous.

It is probable that the rock crusher will commence operations the first of the week. A part of the crew have arrived and have been busy making repairs and getting in readiness for the run. It seems likely that the plant will be crushing rock for two months at least. It was hoped that the rock crusher would be started this week, but a delay was caused by the failure of coal in arriving from Salt Lake.

GREENWOOD

School closed in District No. 76 Friday, June 9, and an all day picnic was enjoyed by the school children and patrons. In the forenoon the people were entertained by a program which consisted mainly of a debate as to "Whether the Hills of the Greenwood District should be Torn Down and the Country Levelled Up a Bit." "A Visit of Mr. and Mrs. Higginbotham to the Deestrick Skule" formed a part of the exercises. Clyde T. Bonney, county school superintendent, made an address. Following the program a sumptuous dinner was served by the Greenwood ladies. The afternoon was filled with races of all kinds. Clifford Strahm was winner of first prize. Marion Yoshin won the booby prize.

Miss Ruth Van Zandt, who has been teaching in the Greenwood school for the past three months, returned to her home in Portland Saturday. She has been re-elected.

Clyde T. Bonney spent Friday at the Greenwood school.

Mrs. C. G. Stoltz left for a visit in Hood River Thursday.

G. A. Godberson was a business visitor in The Dalles Saturday.

Miss Bertha Godberson went to The Dalles on the morning train Monday.

Lyle Experiences Serious Fire

The entire southern part of the Lyle business district was destroyed by fire Monday night.

The blaze, the origin of which is not known, started in the Howard general merchandise store shortly after midnight. The flames entirely destroyed the Howard store, Kemp's barber shop, Bachman's drug store and Marshall's printing shop,—four buildings which were closely together in a row, being all of the business structures south of the railroad.—The Dalles Chronicle.

FRUIT EXPERTS TO TALK HERE JUNE 20

Three Oregon fruit growers and college men, working in connection with the U. S. Bureau of Marketing will be in Wasco county, June 20 to June 22, writes A. R. Chase, county agent. A meeting will be held at Mosier June 20; at Dufur June 21, and at The Dalles June 22, for the purpose of considering the problems of handling and marketing fruits.

Nearly every fruit growing section in the northwest has taken up the Federal plan of fruit marketing and distribution which is really the salvation for the fruit grower. Organization is the only salvation of the fruit growing district.

Mosier probably has the best fruit growers' association in the northwest and has a membership in the Federal agency. Undoubtedly, the experts will get much information at Mosier, but will help other districts in organizing and cooperating.

Meetings will be held at Mosier at 1:30 p. m. Tuesday; at Dufur at 1:30 p. m. Wednesday, and at The Dalles at 10 a. m. Thursday. This will give the speakers a chance to get an afternoon train.

The subjects to be discussed are of interest to every grower of every class of fruit, and all will want to hear discussed the Federal plan for standardizing the marketing and distribution of fruits of all kinds.

Cooper Has Septic Tank on Farm

"We were very much interested, in a recent visit to Kenneth Cooper's ranch above Mosier, to notice how well he has solved the farm sewage problem," says A. R. Chase, county agent.

"At a cost of about \$13 for material, not including labor, he has installed a septic tank, which seems to be a splendid success. The tank is 3x4x3 feet, made of concrete and connected with the house by 70 feet of vitrified sewer pipe. Seven sacks of cement at seventy five cents per sack were used for the tank, and the sewer pipe cost ten cents per foot.

"Every farmer, with any kind of a water pressure system, can install a septic tank for disposing of waste. This not only helps to prevent disease, but is a great factor in solving the fly problem. At a cost of \$13, plus labor (or even twice that amount), on farm can afford to be without a septic tank."

Miss Purola Says: "You'll never know how soft and velvety your face can be until you use our MARSHMALLOW CREAM!"

Full directions with each bottle. Money back if not satisfied.

ARTHUR PHARMACY

WILL SPEND MILLION ON ROAD TO DENVER

Officers of the Union Pacific system have just agreed on an expenditure of approximately \$1,000,000 for improving the Kansas City-Denver line. There has been much work on this road for several years and when that which has just been authorized is finished the line will be on a par with the Omaha-Ogden route of the Union Pacific.

One of the items just authorized is the ballasting with Sherman granite of the line between Oakley and Ellis, seventy-four miles. This will complete the ballasting of the line between Kansas City and Limon, Colo., 550 miles. This will cost about \$300,000. The entire system from Kansas City to the Colorado terminals will be re-laid with 90 pound steel. This will cost about \$200,000. There will be new steel bridges put in costing \$125,000.

Electrical block signals will be installed between Salina and Ellis at an estimated cost of \$175,000. This will complete the electrical block signals between Kansas City and Ellis, about 303 miles. This is one of the biggest expenditures made by any western road this season and the work is to be pushed as fast as men and money will do it.

Notice of Annual School Meeting

Notice is hereby given to the legal voters of School District No. 52 of Wasco county, State of Oregon, that the annual school meeting of said district will be held at the schoolhouse on the 19th day of June, 1916, at 3 o'clock p. m., for the following objects:

To vote for one Director and one Clerk.

Dated this 9th day of June, 1916.

Dr. D. Robinson,
Chairman Board of Directors.

Attest:
H. W. Danielsen,
District Clerk.
