Mr. and Mrs. C. A. McCargar and son, Donald, returned from Portland the first of the week over the Columbia River highway after a week's visit. They were accompanied on the trip home by her mother, Mrs. Anna Craven.

A reception will be given by the Parent-Teacher Association for the teachers of the Mosier school on Friday night, September 15, in Chown's hall. Patrons of the school and all are welcome. After a short musical program at 8:30 p. m., light refreshments will be served.—Committee.

The Parent-Teacher Association will hold their regular meeting on Friday, September 22 at 3 p. m. at the school house. These meetings will now be held on the fourth Friday in each month. As this will be the first meeting for the coming school year all members are requested to be present. Come and bring a friend.

Kenneth L. Cooper went to The Dalles last week to get a fine three year colt which had been raised on the Cooper ranch several miles south of that city. The colt was so gentle that he was able to lead it behind his automobile to The Dalles where it was put on the steamer Tahoma and led from here to his ranch the same way.

Mrs. Jennie Kemp, president of the Oregon Women's Christian Temperance Union will speak on the prohibition and brewers amendment Tuesday, September 12. The two meetings, at 3 o'clock in the afternoon and 7:30 in the evening, will be held at the new church. It is urged that everyone should come out to hear the important things that the speaker has to tell you. Special music in the evening.

After traveling over 2400 miles on his recent trip of a month through Oregon and California, the tires on the Dodge automobile belonging to C. C. Isom look new. Were it not for a bad stretch of road for 15 or 20 miles Mr. Isom states that it is his belief that the tires would not have had the few minor cuts which are on them now.

W. F. Baker, who has recently been appointed local agent for the Tahoma, went to Hood River yesterday where he will be employed for a few days in the construction of a freight warehouse for the People's Navigation company near their dock. Jerry Simpson, agent at The Dalles, will be in charge of the local dock in the meantime.

Miss Alice Bennett returned Friday after spending her summer vacation at Seaside and other points. She was accompanied to Mosier by her sister, Miss Mabel Bennett, who taught last year at Kalama, Wash. She went on to The Dalles after a short stay here for a week's visit with relatives. Miss Bennett will again have charge of the primary room in the local school this year.

A baby boy, born to Mr. and Mrs. George Orr, early Monday morning, died after a brief illness. Dr. Thompson of The Dalles was sent for and arrived here in 31 minutes after receiving the message. Accompanied by his wife he motored down Wednesday and pronounced that Mrs. Orr was getting along nicely. George Orr and family, who are of Indian birth, have been living temporarily in the little house just south of the warehouse of the fruit association, and expect to remove as soon as possible to their home on the island northwest of the city in the Columbia river.

The contents of an express shipment received by the clerk of school district No. 52 will be greatly appreciated by the patrons and pupils of the local school. A letter, which follows, from E. E. Amsden, who was superintendent last year at the Mosier school, and who is now superintendent of the Hillsboro schools, is self explanatory: "After our school entertainment my wife and I had a balance of \$2.82 which we were to spend for the school. We sent you a box Tuesday night from Portland. The figures, Lincoln and Shakespeare, are for the high school room, and the other pieces for the room where my wife taught. We hope they arrived safely and will please the children."

HOTEL MOSIER CHANGES HANDS

E. F. Fiske, of Pocatello, Idaho, has leased the Mosier Hotel for a period of two years. With his family he arrived the first of the week and took active charge Wednesday morning. Mr. Fiske has been a business man of Pocatello for some time and comes to Mosier as a good booster for this district. He plans in the near future to open a lunch counter in connection with the hotel.

John Elder, former proprietor, is uncertain regarding his future. Mrs. Elder's health has been rather poor and the family expect to move to their ranch. Mr. Elder states that he will probably remain in Mosier for some time as it will keep him busy attending to his big sales of wood which is being shipped out. With his other business interests to be looked after, Mr. Elder states that now that he is out of the hotel he can devote his entire time to them.

Mr. Fiske, while motoring through Mosier over the Columbia River highway, stopped at the local hotel recently when the above mentioned deal was made. He expects to run a first class hotel, catering at all times to the best interests of the public.

SCHOOL TO OPEN MONDAY, SEPT. 11

At 8:30 Monday morning the bell at the Mosier school will call the pupils to register for the opening of the 1916-17 term of the school. On this day the pupils are expected to attend and get their assignments for books and lessons.

Three new teachers have been added in the local school in District No. 52. B. A. Hery has been elected superintendent and will teach the high school subjects. Miss Dorothy E. Passmore will be in charge of the Home Economics department, teaching domestic science and art. This will be a new course of study and a special room has been built for its purpose. Mrs. Margaret Walker will be in charge of the intermediate grades. John P. Ross will again be principal and will teach probably the seventh and eighth grades. Miss Alice Bennett will resume her work as teacher in the primary department. A conference will be held this afternoon between the teachers and the school board to outline plans for the coming school term.

INDUSTRIAL FAIR AROUSES INTEREST

Entry blanks have been mailed to the teachers in the various nearby district schools for the second annual industrial school fair to be held in Mosier, Tuesday, September 12. According to the interest being taken by school children the exhibits will be plentiful. Many prizes are offered and the exhibits taken later to the county fair and some to the state fair in the county exhibit.

Clyde T. Ronney, county school superintendent, has been doing considerable work in preparation for the fair, and it is only to be hoped that the success of the fair of last year will be suggested by the interest and exhibits shown next week.

The premium list has been published in the Mosier Bulletin and anyone wishing to secure same may call at this office.

Mosier Grade Work Progressing

Over 3000 feet of heavy rail fence has been constructed on the Mosier grade between this city and Hood River. C. T. Bennett, road supervisor, who has the work in charge states that many turnouts have been constructed as ordered by the county court and more turnouts and 500 feet more of railing will be constructed.

The crew is now engaged near the Earl Bailey place where they have been blasting and hauling out the dirt with scraper and team. Besides Mr. Bennett, who until this week has been on the job, now bracing crates of prunes in the refrigerator cars, those employed on the work are D. J. Roberts, Al. Behrens, Earl Bailey, F. Yackie and R. W. Simpson.

Commercial printing of all kinds at The Bulletin office.

Hepner Marks Blue Trail

Markers for the route between Pendleton and The Dalles are being placed by Hepner business men, is the report of the Moro Observer. This is the "blue trail" and is probably marked with blue. The old Oregon trail will be marked between The Dalles and Olds Ferry at the eastern Oregon line is the report from the several counties through which it passes. The sign will be uniform and will be white with a black stripe and the letters "R" or "L" to indicate the turns. These trail markers will be of great benefit to tourists. Wasco county placed sign posts along her roads several years ago.

The Hood River Market will take your orders for meat and mail them to you by parcel post. Customers will be allowed 30 days on their bills.

Let us finish your films. Same may be left at the Bulletin office. Slocum & Canfield, Hood River.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by some of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. For testimonials, free, write to F. J.
