Hops in Oregon and Washington few may know many parts of it; ese mortals are chronic movers or steadily gaining in strength, with ense veteran trolley conductors. But Portland. - The hop market is a man may know a thousand places Buying is still confined chiefly to Cal-in Brooklyn and yet not boast that he ifornia for some reason that the dealknows it all or even a fat fraction of ers here do not understand, but they believe that the inquiry wil soon be

Good Advice.

A minister was questioning his Sunday school concerning the story of Eutychus, the young man who, listening to the preaching of the Apostic Paul, fell asleep, and, falling out of a window, was taken up dead.

"What," he asked, "do we look the story of the asked, "do we look the was freely bld law. "What," he asked, "do we learn from this solemn event?"

"What," he asked, "do we learn washington, but growers would not sell. In the Yakima section better than 13 cents was offered during the

The Shadbolt lot of 150 bales of The California market held strong at 15 cents for the best hops and buying was heavy. Proctor purchased 1200 was heavy. Proctor purchased 1200 bales and Wolf 300 bales at this price. Among the Sonoma and Mendocino ots sold at 15 cents were: McCutchon, 140 bales; Dick Hall, 280 bales; Peterson, 80 bales; Williamson, 100 bales; Siemer Bros., 250 bales; Stovey, 150 bales. Wolf purchased 300 bales of Yolos at 111/2 cents and 100 bales of Buttes. Buyers offered 12-cent options on Sacrar entos.

Market Conditions at Tacoma. Tacoma.-For the fourth time in 10 days eggs are to advance and the price for fresh ranch eggs, will be 41 cents. General conditions are said to be responsible for the rapid rise in egg prices. Dealers report light egg

receipts with steady demand. Eastern flour advanc d 20 cents a barrel and the advance is expected to reach here in a day or so. With the continued advance of flour, bread prices may be expected to go up. In l'acoma this is likely to take the form

of smaller loaves. Peaches and cantaloupes hold well. car of Elberta peaches showed up, but is expected to be the last whole car. Late Crawfords and other late peach season.

varieties will gradually finish off the Cantaloupes are meeting with a lighter demand and the price is steady at \$1 a crate. Only a few dealers have any watermelons on hand and there seems to be no demand for them. Ca-sabas are practically off the market. Plenty of grapes continue to be the feature of the market. Tomatoes are growing scarcer and the price advanced to 60 cents. Sweet potatoes declined to 2½ cents a pound.

Dealers say it is hard to estimate the potato crop this year but the general opinion is that potatoes will be high. The local crop is good, and no Yakima potatoes are being import-

American manufacturers in their efforts to supply the dye which formerly came from Germany. The figures 14 exceeded 29,000 tons. With reports of federal investigators American dye makers will be able to regulate the control of the makers will be able to regulate their output.

Final Jute Forecast 8,300,000 Bales. The Indian jute crop for the 1916-1917 season will be 8,300,000 bales, according to the figures announced by the British-Indian authorities. This is about 12 per cent larger than the 1915-1916 crop. The first forecast, which was made last July, placed the probable yield at about 8,150,000 bales. While the outturn will in all likelihood be in excess of the estimates made a couple of months ago, the size of the crop is a disappointment because last he season's yield was the smallest in years and the carry-over is considered

Rickreall, Or.—Rickreall is harvesting the largest crop of Italian prunes in its history. The yield this season is fair, while the large acreage of old trees and the new ones just entering the bearing age swells the total yield to a high figure. The crop is being sent to the driers at Dallas and Monmouth.
