BONDS HEAVILY FOR GOOD ROADS

The following is a communication from Arthur Kuhn, who with Mrs. Kuhn is enjoying motoring trips in California. The letter shows that California realizes the value of good roads in voting for a big bond issue, in spite of the enormous sum voted last year:

"Turlock, California, November 11, 1916.
"Dear Editor Moe:—Your issue here we leave next week for Fresno, Bakersfield and Los Angeles. Today we will motor to San Jose and Los Gatos, returning Sunday morning, 216 miles. Last Sunday we motored to Merced, 50 miles, and returned in the afternoon. Last Monday Mrs. Kuhn and myself motored to Stockton, 95 miles, by way of Modesto and Tracy. The roads here are grand, same as the Columbia River Highway, but the scenery is not as fine; when we get to southern California we will have scenery.
"Here they sold \$3,000,000 worth of cantaloupes, cassabas, sweet potatoes and beans this summer in the San Joaquin Valley, Stanislaus county, city of Turlock. While at Stockton we met Miss Ruth Clement, of Mosier, and Mrs. and Mrs. Rola Clement, of Stockton, also our old time friends of Illinois.
"California has just voted \$15,000,000 for good roads and the state is very prosperous. The state just finished spending \$18,000,000 on good roads and the tourists flock here, as the motoring is the best in the United States. Many large vineyards, almond, fig, peach and apricot orchards, also alfalfa and honey and Egyptian corn are grown here.
"With regards from Mrs. Kuhn and myself, I am
"Yours sincerely,
"Arthur Kuhn."

"BONE DRY" LAW PRESENTS PUZZLES

Governor Withycombe says that he does not propose to let the liquor-shipment situation get beyond control, and that he will hold up, if he can legally do so, the issuance of the "bone dry" constitutional amendment proclamation until the legislature meets in January and provides penalties for violations.
The governor says that he does not think a special session of the legislature would be justified under the circumstances, if it can be avoided, as it would be expensive and, under the present law, the liquor traffic is restricted.
"I have not discussed the matter with Attorney General Brown," said Governor Withycombe. "As I understand, the law provides that after the canvass of votes is made the governor shall forthwith issue a proclamation declaring the result, and that the amendment to the constitution at once becomes effective. The canvass must be made within 30 days after November 7.
"While 'forthwith' means very soon after the canvass is completed, it may be so interpreted by the attorney general as to permit delay until the legislature acts in January.
"The people of Oregon can rest assured that I will not let the bars down on unrestricted shipments, which, as I understand the situation, the proclaiming of the success of the absolute prohibition amendment, without the enactment of laws providing penalties, means. If the proclamation cannot be legally delayed and no other way is possible to control liquor shipments, I will call a special session of the legislature."
It had been suggested that the governor might hold up the tax limitation amendment until after the 1917-1918 biennium might not be affected. He declared that he would not delay the issuance of the proclamation in that case.

NOTICE OF SPECIAL SCHOOL MEETING

Notice is hereby given to the legal voters of School District No. 3, of Wasco County, State of Oregon, that a School Meeting of said District will be held at the School Building on the 15th day of December, 1916, at 3:30 o'clock in the afternoon to vote on the proposition of levying a special district tax.
The amount of money needed during the fiscal year beginning March 1st, 1917, and ending March 1st, 1918, is estimated in the following budget:
Teachers' salaries - \$3,960.00
Apparatus, such as maps, chalk, erasers, stoves, curtains - 50.00
Library books - 25.00
Janitor - 25.00
Janitor's supplies - 25.00
Fuel - 200.00
Clerk's salary - 25.00
Postage and stationery - 10.00
Interest on bonds - 285.00
Sinking Fund - 500.00
Total \$5363.00
The above mentioned meeting has also been called to elect a new director, and to take action on school house site.
Elected this 15th day of November, 1916.
G. L. Carroll,
Chairman Board of Directors.
Attest: Roger W. Moe,
District Clerk.

er. In each of these places a popular voting contest is to be conducted by one of the newspapers, which will print free ballots for the use of the people in choosing their favorites for the honor.
The princesses will have joint charge of the court with Princess Apple Blossom, who is to be chosen by popular vote of the people of Spokane, and their traveling and other expenses during the show will be borne by the management.
During the week the princesses will participate in a series of brilliant social functions, beginning with the coronation the opening night of the show November 20, and including a series of regal pageants several evenings during the week.
Spokane society will assemble to welcome them in an afternoon tea and a court ball, both in the Davenport hotel, which will be their headquarters during the week.

OFFER BIG PRIZE TO AID SOCIETIES

National Apple Show Will Give \$100 For Best Food Display.

One of the women's clubs or aid societies of the Inland Empire is to have its treasury enriched to the extent of \$100 as the result of a new competition announced for the women's department of the ninth National Apple show to be held at Spokane November 20 to 25.

A cash prize of \$100 is offered for the best, most attractive and most useful display of food products prepared wholly or in part from apples and entered by women's clubs or ladies' aid societies from any place in the Inland Empire.

Enlarge Women's Department.
In the arrangements for this year's apple show great stress is being placed upon the women's department, the trustees believing that the homemade by-products of the apple offer an increasingly important outlet for the marketing of the northwest's orchard products.

Five hundred dollars in cash prizes are to be awarded to the winners of 99 contests in this department. In each contest there will be first, second and third prizes of \$3, \$2 and \$1, respectively. In addition, four larger prizes will be given the winners in the contest for groups of apple dishes numbering from five to ten.

Everything Made of Apples.
These contests will include apples and practically every dish that can be made from apples, such as unflavored apple marmalade, apple jelly, unflavored preserved apples, preserved apples whole, unflavored apple butter, apple butter, spiced, pickled apples plain, spiced, applesauce, apple cider, apple vinegar, apple syrup, apple honey, apple chutney, apple jam, apple relish, apple delight, clarified apples, coddled apples, crabapple pickles, preserved crabapples, apple and quince preserves, canned apples, candied apples, dried apples, mince meat, mock mince meat, unflavored apple jelly, flavored apple jelly, apple and quince jelly, apple and nut jelly, spiced apple jelly, jelly by combining apples with some other fruit, jelly or other product made from apple cores and skins, apple jelly with novel and unusual flavor.
A corps of expert cooks has been engaged to give demonstrations of the numerous ways in which apples can be used in the home.

PICK PRINCESSES FROM APPLE LAND

Seven Inland Empire Maids Will Hold Court at Spokane Show.

Seven princesses from Apple Land, representing the most important fruit districts in the northwest, will be chosen by popular vote of the people of those districts, to rule with King Pip and Princess Apple Blossom at the ninth National Apple show in Spokane, November 20 to 25.

The social side of the annual apple carnival will revolve around these princesses, who will hail from Walla Walla, Wenatchee, North Yakima, Lewiston, Missoula, Knappton and Hood River

Miss Bertha Fancher (Princess Apple Blossom).

er. In each of these places a popular voting contest is to be conducted by one of the newspapers, which will print free ballots for the use of the people in choosing their favorites for the honor.

Spokane society will assemble to welcome them in an afternoon tea and a court ball, both in the Davenport hotel, which will be their headquarters during the week.

LOCAL MASONS ATTEND REUNION

Chas. T. Bennett, Edgar A. Race, C. J. Littlepage, R. W. Simpson, G. K. Wood, E. W. Davidhizer, Frank Genger, Hans Kollander and Fred Wilson motored to Hood River Saturday night to participate in the annual Masonic reunion of the Hood River lodge in commemoration of Tietman night. A big feast was served to over 100 Masons. E. W. Davidhizer drove his car, and Leslie Root drove the car of Frank Genger.

The biggest attraction of the evening, aside from the Masonic lodge work, was a lecture by Professor J. B. Horner of the Oregon Agricultural College, illustrated with stereoscopic views on biblical scenes and Masonic history and bits of lore relating to Masonry. Professor Horner has spent considerable time traveling in the foreign lands, and told graphic pictures regarding the pyramids of Egypt, the temple of King Solomon in Jerusalem and many other anecdotes. Within the space of one half a mile the three greatest epochs of the world had their origin, and the speaker showed the place where each was founded.—Christianity, birth of Christ, Masonry, and the independent Order of Odd Fellows.
The talk was highly instructive as well as interesting and thoroughly enjoyed by all.

O-W. R. & N. ADOPTS NEW HIGHWAY SIGN

The O-W. R. & N. Co. proposes to install immediately at important highway grade crossings on its line in Oregon, Washington and Idaho, cautionary highway signs. These signs will be erected at a distance of 300 feet from the track on each side of all crossings.
After several months of study and experiment the words, "Railroad Crossing—Danger," were adopted. The notices displayed in bold black letters on a white circular target should prove a most effective warning to approaching vehicles both by day or night.
Statistics show there were 1,066 men, women and children killed in train-automobile accidents in the United States during the calendar year of 1915. This needless sacrifice of precious human lives is most deplorable. Automobile manufacturers estimate that one million new cars will be sold during the current year, therefore it is not unreasonable to assume an increase in such fatalities may be expected unless all powers and influences combine to check this evil.
The railroad company is anxious to afford its support and cooperation to the movement for greater safety and it will feel amply repaid for time and money expended in erecting these signs if they will be instrumental in preventing but one accident.

COURT ANXIOUS TO BEGIN ROAD WORK

Now that the bonds have carried by a majority of 101 in the county, and, by the way, a majority of 119 in the Mosier district, an advisory board will be appointed by the county court next week according to the recommendations of the citizens of the various districts in the county.
Judge Gunning stated that an engineer will be appointed as well as a right-of-way man and that as soon as the right of way is secured bonds and bids will be advertised.
"It will be the effort of the county court to get things in shape as quickly as possible," stated Judge Gunning Tuesday. "We hope to begin work this winter in order to have the road in good shape for travel next summer if possible."

Judge Bradshaw on Bench 25 Years

Judge W. L. Bradshaw, of The Dalles, who presides over the circuit court of Hood River and Wasco counties, convened the first term of court here Monday following his reelection for another six year term last week. Judge Bradshaw, who has sat on the bench for this district for the past 25 years, was the recipient of many congratulations from members of the bar and laymen.
Judge Bradshaw, a native of Missouri is 58 years of age. With his parents he came to Yamhill county. His father, E. C. Bradshaw, of Lafayette, was a well known Willamette valley lawyer.
Judge Bradshaw graduated from the St. Louis, Mo., law school and in 1890 opened an office at The Dalles, where he has resided since. On May 1, 1891, he was appointed by Governor Penney to fill out the unexpired term of Judge Henry Bird, who passed away during his term of office.
Up to 1914 the district over which Judge Bradshaw presided consisted of Hood River, Wasco, Sherman and Crook counties.
Robert Bradshaw, formerly a well known athlete of the University of Oregon, of which institution he is a graduate, is an only son of Judge Bradshaw. Young Mr. Bradshaw, now practicing at The Dalles, is also a graduate of the University of Oregon law school.

GROWERS TO LEARN PACKING OF APPLES

A daily packing school designed to help northwestern apple growers in mastering the details of the standard grade and pack will be substituted for the world's citizenship packing contest at the ninth National Apple show to be held at Spokane November 20 to 25.
Secretary Manager Gordon C. Corbae announces that a staff of expert packers has been engaged to give lectures and demonstrations each day for the benefit of the growers in attendance. A new feature of the standard pack will be emphasized each day, it is announced.
