# A WOMAN'S TORTURE

No ingenuity of barbarism ever devised an agony so intense, so persistent. so long - enduring, so nerve - harrow-ing as that which is suffered day after day by the woman whose distinctly feminine organism is deranged or diseased. There are three trying times in every woman's life: 1st-when girlhood blossoms into womanhood; 2d - when motherhood is achieved; 3d - the change.

Dr. Pierce's Favorite Prescription was devised to make these three periods safe and painless by restoring to vigorous health the organs involved. "Yes, unless the expanse of brow is it soothes, heals, nourishes. It gives nature just the help it needs. It is the only ready-prepared medicine de-vised by a regularly graduated phy-sician and skilled specialist in the diseases of women.

You know what you are getting with this Prescription of Doctor Pierce's, be-cause it's extracted from native roots by using glycerine—no alcohol or nar-cotics. The ingredients published on wrapper and free to the world.

For all diseases peculiar to women, Dr. Pierce's Favorite Prescription is a powerful restorative.
