At a Price Within Your Reach

# \$695

f. o. b. factory.

Any low price car can easily be called "the best," "equal to any other" or anything that over-enthusiastic salesmen care to say. But the man who pays his money and who will investigate this proven successful Dodge as we did before we put our responsibility and capital back of it as factory distributors, will find that it has the stuff in it—a sincere structure of more than needed strength and beauty and as contained in a body of streamlined beauty, comfort and enduring finish.

We want capable, energetic men to demonstrate this unusual car in their home territory. Here is an opportunity to engage in business—either all or part of time; it means profitable, worthwhile employment. And even if you are not now engaged in the auto business but would like to use the coupon. An opportunity like this is seldom offered.

## QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts if your Back hurts or Bladder troubles you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urines so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent uric acid drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

Ship Deals Are Under Way.

Portland—Evidence that the war scare has not influenced negotiations for the purchase of new wooden ships here is offered by owners in some quarters, who admit that they are dealing this week with persons in the market for tonnage; also it is known more contracts are being arranged for.

So far as is known, sales now in sight will be to American firms, so war conditions will not affect deals. Naturally, as compared with prices asked a year ago, higher figures are in effect because of increased wages in shipyards and advance in the cost of material and gear.

## It Works! Try It

Tells how to loosen a sore, tender corn so it lifts out without pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness. This drug is called frezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of frezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous.

Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug frezone doesn't eat out the corns or callous but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it afterwards. If your druggist don't have frezone have him order it for you.

## Also True.

"Some yellow dogs will run to anybody. Leave their best friends for a new comer."

"They don't seem to know any better and probably can't help it."

"True. Some people are that way."—Louisville Courier-Journal.

## The Woman of It.

## GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, y r little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

### Nippon Warships Sighted.

Port Angeles, Wash.—Three Japanese battleships passed in at the Cape about noon Tuesday. They flew no name signals, only their Japanese ensigns flying. It is probable that they were bound for Victoria, B. C.

Sailing from South Africa for Puget Sound, taking 103 days on the trip without seeing one vessel, is the record of the four-mast barkentine Puako, which arrived late Tuesday night in tow of the Richard Holyoke and cleared for Victoria. Capt. Petersen reports having a tough time with his crew coming up this trip. Going from Puget Sound to South Africa the first mate was lost overboard while rounding Cape Horn and drowned.

### President Halts U. S. Ships.

Washington, D. C.—President Wilson has issued a proclamation under the authority of the recent shipping act prohibiting American ship owners from transferring their vessels to any other registry.

The President pointed out that a national emergency exists and that many ship owners of the United States are permitting their vessels to pass to alien registers and to foreign trade in which we do not participate, "and from which they cannot be brought back to serve the needs of our war-time commerce without the permission of governments of foreign nations."

### Two Launchings Next Week.

Portland—Two launchings of wooden ships set for February 17 are to be of importance to the shipping community here, one being the auxiliary schooner Margaret, at the McEachern yard, being the second carrier of the A. O. Andersen & Co. fleet to be floated here and the other is the motorship Oregon, building at Seattle for the Alaska Pacific Navigation Co., of this city. The auxiliary schooner Allard, launched last month at St. Helena, will leave soon for San Francisco in tow of the Port of Portland tug Ononta.

### Disables German Liner.

Seattle—Examination of the machinery of the Hamburg-American liner Saxonia, whose crew was removed to the immigration detention station because they were engaged in disabling the steamer's engine, shows that the chief damage was the cutting of a large hole in the high pressure cylinder on the valve side of the engine. The cylinder is two feet in diameter and the sides five inches thick. Compressed air drills and chisels apparently had been used, and the work must have consumed 24 to 36 hours.

### Tacoma Gets Tug Resolute.

Tacoma—By a decision of the Federal court in admiralty Wednesday, Charles E. Steelsmith of Tacoma was awarded ownership of the tug Resolute, adjudged a derelict, which has been lying in the Columbia river at Vancouver since the death of her owner, F. R. Hill, over a year ago, upon a libel of the plaintiff.

## "ANURIC!"

### THE NEWEST DISCOVERY IN CHEMISTRY

This is a recent discovery of Doctor Pierce, who is head of the Invalids' Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Doctor Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear.

Go to your nearest drug store and simply ask for a 50-cent package of "Anuric," manufactured by Dr. Pierce, or send 10 cents to Dr. Pierce for a large trial package. If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Doctor Pierce's chemist will examine it, then Dr. Pierce will report to you, without fee or charge.

Note:—French scientists affirm that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid, and is a harmless but reliable chemical compound that may be safely given to children, but should be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box—or more in extreme cases—as "Anuric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector obtainable.

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and its lustrous, nutritious, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

As we grow more sensible, we refuse drug cathartics and take Nature's herb-cure, Garfield Tea.

### 10 CENT "CASARETS" OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Purred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which soured and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Casaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

## FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only the old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.
