The Farmers' Philosophy.

"Don't you get tired of summer boarders who complain of the food?"

EASY TO DARKEN YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is mussy and troublesome. For 50 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

The Easy Way to Heal Sick Skins

Resinol Ointment, with Resinol Soap, usually stops itching instantly. Unless the trouble is due to some serious internal disorder, it quickly and easily heals most cases of eczema, rash, or similar tormenting skin or scalp eruption, even when other treatments have given little relief. Physicians have prescribed Resinol for years. Resinol Ointment and Resinol Soap are sold by all druggists.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

Spokesman—We are waiting for the moving picture men.—Exchange.

Life's Biggest Gamble.

The upper berth is not, primarily, a place of rest. It's a gamble, like poker, and marriage and storage eggs.

The main idea of the upper is, first, to see if you can get in it, and second, to stay there till morning without breaking your neck.

The chances are $2 apiece, and even money that you lose. If you win you pay the porter a quarter. If you lose you pay your own funeral expenses.

The only right way through is to approach it as a purely sporting proposition. Take a lot of life insurance and a long breath and make a night of it.—Roswell (N. M.) Record.

Coated tongue, vertigo and constipation are relieved by Garfield Tea.

Not Going That Way.

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

NERVOUS WOMEN!

It's The Same Everywhere in Oregon.

Portland, Oregon.—"I was for six months troubled with nervousness, and the doctor said I had consumption. Through the advice of a friend I took Dr. Pierce's Favorite Prescription and was completely cured. I am now in middle life and am in good health."—Mrs. G. W. Mathis, 1476 E. 8th St., N.

Dr. Pierce's Favorite Prescription is and has been for nearly 50 years just the medicine that every woman needs when passing through the changing days. It is not a secret prescription, for its ingredients are printed on the wrapper; it's a temperance medicine.

Not only does it build up the entire system and make it strong and vigorous enough to withstand the organic disturbances, but it has a quieting effect upon the feminine organism that reduces the distress to a minimum. For any womanly ailment, disease or complaint, no matter of how long standing, we advise anxious women to get Dr. Pierce's Favorite Prescription, in either liquid or tablet form.

Cannery Contract Awarded.

Lewiston, Ida. — President Fontana of the Oregon Packing company Thursday awarded the contract for the construction of a branch cannery at this point to Frank D. Booth of this city on his bid of $11,000. The structure will be 100x150 feet, with an open platform additional, 80x100 feet. The main building will consist of one room, with no posts, 12 100-foot trusses being used in supporting the roof. The contract also calls for an additional structure 20x30 feet, of re-enforced concrete, for a boiler room. Work on the foundations will be begun during the coming week, and the contract calls for completion by May 1. William Crapo, who will be the manager, is contracting with growers for fruits and vegetables.

Lumber Fraud Charged.

Chehalis, Wash. — Attorney G. E. Hamaker, of Portland, acting for G. A. Onn, a prominent Southwest Washington lumberman, of Pe Ell, has filed a $125,000 damage suit against the Montesano State bank, National bank of Tacoma, Givens & Hibbell Logging company, Fred Wilson company and Polson Logging company.

The complaint alleges that on April 25, 1912, the defendants agreed to form a corporation to handle in trust property owned and controlled by the plaintiff. The complaint further alleges the defendants, with intent to defraud the plaintiff, sold the Syverson Lumber company to the Hoquiam Sash & Door company for $25,000 when its real value was $150,000.

$43,070 Cash in Ranch Deal.

Pullman, Wash.—One of the largest cash farm deals of recent years was consummated here when Arthur J. Holster, a recent arrival from Finlay, Ohio, paid $43,070 in cash for the A. M. Durkee 465 acres three miles northwest of Pullman.

The purchase price was on the basis of $92.50 an acre for the tract, which is improved with outbuildings and residence. The new owner will take actual possession of the place next fall, when the lease now held by G. W. Gerralts will expire.

More Cheese is Urged.

Eugene, Ore.—If the war in Europe continues another year the production of dairy products in Russia and Siberia, which have in the past supplied the English market, will not amount to 10 per cent of what they were before the war, Herbert A. Emerson, deputy commissioner of foods and markets of the state of New York, told 200 business men and farmers at a banquet given at Eugene the Chamber of Commerce in his honor Thursday. This condition, he said, would result from the slaughter of both men and cattle.

Water May Cover Large Arid Tract.

North Yakima, Wash.—Announcement that the government has withdrawn from entry large tracts in the Naches, Wenas, Selah and Moxee valleys, and along the slope of the Rattlesnake hills in the Lower Yakima valley, is understood here to indicate that the Reclamation service has taken up for service development a high-line project which will bring under water several hundred thousand acres not now included under canals or pumping systems.

Flax Fiber Seed is Sold.

Salem, Ore. — The first carload of flax fiber seed ever shipped out of the state left Salem Thursday night, consigned to Conrad, Mont. It was sold by the State board of control to a flax fiber company in that state for $2 a bushel, and the shipment contains 1500 bushels. The seed comes from the State penitentiary flax plant.

40 Cents Paid for Wool Clip.

North Yakima—The Portland Woolen Mills company has purchased the Dan G. Goodman wool clip of about 20,000 pounds for 35 and 40 cents per pound. The high price, a record-breaker, was paid for coarse wool from Shropshire ewes. Goodman's was the first clip in the valley to be sheared.

100 Cars of Yakima Apples Shipped.

North Yakima, Wash.—Apple shippers here believe that growers are holding much larger stocks than they have supposed. A large proportion of the 100 carloads shipped out during the past week came from growers.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25-cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little danderine. Save your hair! Try it!

Sure! High Heels Cause Corns But Who Cares Now

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callous the soreness is relieved and soon the entire corn or callous, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callous without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callous. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.

WOMAN COULD HARDLY STAND

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Fulton, N. Y. — "Why will women pay out their money for treatment and receive no benefit, when so many have proved that Lydia E. Pinkham's Vegetable Compound will make them well? For over a year I suffered so from female weakness I could hardly stand and was afraid to go on the street alone. Doctors said medicines were useless and only an operation would help me, but Lydia E. Pinkham's Vegetable Compound has proved it otherwise. I am now perfectly well and can do any kind of work."—Mrs. Nellie Phelps, care of R. A. Rider, R.F.D. No. 5, Fulton, N. Y.

Catarrh for Years No Relief

Three Bottles PERUNA Made Me Well.

Mr. Eli Lefevre, Jr., 854 Brush St., Detroit, Mich., writes: "I had been troubled with catarrh for a number of years, and had been taking medicine for it, but they did me no good. In reading one of Dr. Hartman's books entitled 'Winter Catarrh,' I discovered that Peruna was good for catarrh. After I had taken only three botles of Peruna I was cured of the catarrh. I now advise everybody troubled with catarrh to take Dr. Hartman's Peruna, as it is a sure cure for catarrh.

"Friends to whom I recommend Peruna tell me that it is also good for headache, dizziness, and pain in the stomach."

Those who object to liquid medicines can now procure Peruna Tablets.
