OLIPHANT CHILD BURNS TO DEATH

In a letter received last Friday by Mrs. B. E. Weller from Melville J. Oliphant, came the sad news of the death of Mr. and Mrs. Oliphant's 2-year-old baby, Elizabeth, who was burned to death Thursday evening of the preceding week at the home of her parents, 919 Pleasant street, Chicago.

Mrs. Oliphant, who had been with her little daughter, was called into an adjoining room, and when she returned in a few moments she found the little girl enveloped in flames. She immediately seized a rug to extinguish the flames, and the baby was then rushed to a hospital, but was burned so badly that death resulted within an hour.

Mrs. Oliphant was also severely burned about the arms and hands and the shock has been so great that she is now quite ill in the hospital.

In his letter Mr. Oliphant said there were some matches lying on the table and it is thought the little girl had probably got possession of them and started a blaze which caught on to her clothing.

Mr. and Mrs. Oliphant left Mosier more than a year after having resided for several years on the orchard place of W. O. Coleman, three miles south of the city.

Has Praise for Mosier Apples

Milo Frank, step-son of J. H. Steinhart, of the firm of Steinhart & Kelley, of New York, commission merchant, has been here this week and will remain until after Easter visiting at Mayfield.

Mr. Frank has just returned from an extended trip through Arizona, New Mexico, Colorado, California and the Willamette Valley in the interests of the firm and is generally considered one of the best in the United States and that if other districts will put up a uniform and high standard pack in conformity to that adhered to according to the grading rules of this district, other communities will benefit very profitably.

Rev. Myers Preaches Loyalty

Patriotic services were held at the Church of Christ Sunday morning to which were present a crowd which filled the edifice. Rev. Leon L. Myers, the minister, introduced his sermon by reciting "Benny's Reprise."

The main theme of his sermon was loyalty, he stated that the impending war against Germany was not destined to be a war on the lives of men but a war against despotism, and that the church owed their success to the democratic form of government as exists in the United States and that it is necessary to adhere to this government and it should be the burden duty of all to loyally support the President in the crisis.

The audience sang patriotic songs and at the conclusion of the service a unanimous pledge of loyalty was taken by the entire congregation rising and singing for the second time, "America Next Sunday." Services at the church will be in the nature of union meetings at the Immanuel church (federated) and at the Church of Christ (federated).

The services, talks and songs will be a display of the Stars and Stripes will again reveal the patriotism of the citizens of this vicinity.

Easter Services

There will be union services of the churches of Mosier both morning and evening on Sunday. The morning service will be held in the Immanuel church. Communion service, 11 a. m. Subject: "Resurrection and the Future Life." The evening service will be a song and story service entitled: "Love Triumphant." It will be held in the Church of Christ. Let everybody go to church Sunday.

Easter Sunday is a time when the most confirmed stay-at-home ought to comb his hair and tidy his vestments and appear for a church service. All are welcome.

Leon L. Myers, Minister.

Offers Services as Chaplain

Myers, minister of the Church of Christ (federated) of this city left Wednesday afternoon for Portland to visit with his wife who is now convalescing in the Good Samaritan hospital after a minor operation and who expects to return to Mosier, accompanied by her husband, the latter part of this week. COMPLAINT FILED AGAINST PHONE CO.

Following is a copy of the complaint filed Monday with the Public Service Commission of Oregon:

We, the undersigned, patrons of the Mosier Valley Telephone Company, respectfully ask you to grant us a hearing in the matter of adjusting rates charged by said Company, so that they will be more fair and consistent.

As the Company is now managed, the rates are unjustly discriminating and greatly at variance with the rate schedule filed with you.

We ask you to investigate this matter as soon as possible, for as matters now stand, at least one patron is being refused service on account of his not being willing to comply with the discriminating rates charged.

We ask for such adjustment that the same rates will be charged for like service.

C. J. Littlepage, C. A. Macrum, M. A. Mayer.

Dated this 30th day of March, 1917.

The stock in the local company has been subscribed by local patrons and by former patrons. E. A. Race, secretary of the Mosier Valley Telephone Company, has accepted the service and declares that he is ready to defend the company's interests. The Commission will hold a hearing in Mosier in the near future.

Kollandsrud Writes from East

In a letter received from Hans Kollandsrud, dated March 30, who is now visiting in the middle west with relatives and friends, he says in part as follows:

"I am now en route for St. Paul and will visit in southern Minnesota for a couple of weeks. We are now passing through the northwest corner of South Dakota. The snow is all gone and we have nice sunshine, so it is not so bad as recent reports would have it to be."

"In passing through Spokane I saw Dr. Elkenburg. He examined the limb and took an X-ray picture taken and said that the bone was making a perfect union. The leg is quite firm and the doctor said that I could commence to put weight on the foot after five days of it in June. I am sure I will celebrate a grander Fourth of July this year than ever before. It will be great to have two good legs again and the patriotism ought to be greater than ever."

Carroll, prominent orchardist of this district, passed through Mosier Wednesday morning en route to Oregon where he joined a company of the Oregon National Guard, and expects to go to Vancouver to enlist for three months before being called out for active duty. Young Carroll has been a student in The Dalles high school and was finishing his senior year. He was prominent in athletics.

James called his parents up over the telephone Tuesday night and stated that he had received orders with ten other young men in The Dalles to report the next morning at headquarters and that it would be impossible for him to stop off to bid farewell to his parents. However, he was home Sunday and stated then that he would probably be called out to Vancouver to enlist last week at The Dalles. His parents have made no objection to their son's enlisting.
