ARMY Y. M. C. A. FUND STARTED

Monday evening the committee appointed to raise Mosier's share of the fund for the Oregon Army Y. M. C. A. met and organized. J. N. Mosier was appointed chairman and L. J. Merrill, secretary. It was decided to raise the amount for Mosier by one subscription instead of in monthly payments. The money is to be raised at this time and will be held by the committee in charge to be paid out monthly as needed. The purpose for which the money is raised purpose for which the money is raised was explained last week.

The local committee in charge consists of J. N. Mosier, J. M. Carroll, C. G. Nichol, E. A. Race, and L. J. Merrill. Subscription lists have been made out and it is hoped and expected that all will be glad to have a share in helping raise this money for the boys who have already volunteered and those who will later be called. The boys are doing their share and the people whom they represen should be ready to help them at this time. The amount to be raised in Mosier is \$150. Subscription lists will be circulated by the committee in the next few days, and calls will be made on persons living in town and in the country. It is hoped to get the money raised without delay. By calling yourself on any one of the committee you will help them, and will show your willingness to "do your bit." Let us all show that Mosier is patriotic in this crisis, and is loyal to the boys who have gone or will go to the front.

N. E. A. CONVENTION

Regarded as one of the great constructive forces of America, the National Education Association is being encouraged to go forward with its convention at Portand July 7 to 14, and school teachers everywhere are to be told that they "will be doing their stunt" for the United States by registering their attendance.

JOHN ELDEK BUYS

John Elder this week purchased a valuable Clydesdale stallion, Oregon Boy, which has has bought for breeding purposes not only in Mosier but in the Hood River valley as well. Oregon Boy was sired by Gim Crack, Jr., one of the best Clyde horses ever brought to the west, and out of an equally as good mare. He is registered and is licensed by the state stallion board to stand for service. He has been tried and known to be a sure foal getter. His colts are all solid color with good quality. Mr. Elder secured this horse from John Bolton, of Tygh Ridge, who bought him from a man in Albany who raised him. This stallion is seven years old. Mr. Bolton John Elder this week purchased a Dufur.

The deal was consummated through
J. C. Thrall, of The Dalles, who states
that he has sold a good many stallions
this year and considers Oregon Boy as good as any of them, and knowing the future of the horse market, he maintains that Mr. Eder has done the community a great favor by bringing a horse of his quality here.

Cram dry goods store. The Cram store had just been closed up. W. F. Laraway, whose adjoining stock of jewelry was badly damaged by smoke and flames that were drawn into the store room by the draft coming up registers of the heating system, discovered the presence of the fire at 10.10 o'clock, while he was getting out some rush work. Within a very few minutes the firemen were at work. Because of the dense smoke of the fire, which originated in the back part of the Cram store near the furnace, the fighting of the flames was made exceedingly difficuit.

The damage to the two big stocks is estimateid at several thousand dollars. Both stocks are insured.

Within the next week the steamer

20 cents will be charged.

Eagle Creek Grounds Ready

Forest Supervisor T. H. Sherrard, of the Oregon National Forest, has put the Eagle Creek camp grounds in read-iress for the 1917 recreation sensor. The water pipes have been connected to so that pure running water is avail able at the various camp sites, and the comfort station has been opened. New tables for use of campers and picnickers have been built, and a splendid parking place for machines is conveniently located near the entrance to the

camp grounds.

A four-room tent house has been erected for the temporary headquarters of the forest officer who is again on duty at the grounds.
