clamation Given Below, and Then
Cut This Out and Put It
Where You Can Find It

WAR CENSUS DAY, JUNE 5

resident between the ages of 21
and 30 years, inclusive. This in-
cludes aliens, who will not be
drafted for war duty, of course,
but a complete record of them is
desired.

Who is Exempt—No male resi-
dent between the ages of 21 and
30 years, inclusive. Register at
your regular voting place.
Hours for Registration—From
7 o'clock a. m. to 9 o'clock p. m.
Don't wait until the last moment.
Register early.

If you find you will be unavoid-
ably absent from your home pre-
cinct on War Census Day, you
should apply at the earliest possi-
ble date to the county clerk of the
county in which you may be at the
time, whether in Oregon or else-
where, who will fill out your regis-
tration card. He will then give
you the card, which you MUST
mail to the registrar of your home
precinct, in care of the sheriff of
your home county, in time to reach
the registrar by War Census Day.

But remember, the burden of
having your card reach the regis-
trar of your home precinct by War
Census Day is on YOU.

Men of military age who are too
ill to go to the voting booth to
register must send a competent
person before War Census Day to
the county clerk to explain the cir-
cumstances, and secure instruc-
tions from the federal regulations
which these officials will receive
from the government.

Penalties—The penalty for fail-
ure to appear to register, or for
giving false, misleading or incor-
rect answers, is IMPRISONMENT.
There is no alternative of a fine.

Wasco county is now prepared for
the registration of the men of the
county under the conscription act on
June 5, according to the President's
proclamation.

President Wilson's proclamation put-
ting into effect the selective draft
provision of the war army bill follows:

A proclamation by the President of
the United States:

Whereas, Congress has enacted and
the President has, on the 18th day of
May, one thousand nine hundred and
seventeen, approved the law which
contains the following provisions:

Section 5—That all male persons be-
tween the ages of 21 and 30, both
inclusive, shall be subject to registra-
tion in accordance with the regulations to
be prescribed by the President; and
upon proclamation by the President or
other public notice given by him or by
his direction stating the time and
place of such registration, it shall be
the duty of all persons of the de-
scribed ages, except officers and enlisted
men of the regular Army the Navy
and the National Guard and Naval
Militia while in the service of the
United States, to present themselves
for registration under the provisions
of this act; and every such person shall
be deemed to have notice of this act
upon the publication of said proclama-
tion or other notice as aforesaid given
by the President or by his direction;
and any person who shall willfully fail
or refuse to submit thereto as herein
provided, shall be guilty of a misde-
meanor and shall, upon conviction in
the District Court of the United States
having jurisdiction thereof, be pun-

trial of criminal proceedings under
this act; provided further, that per-
sons shall be subject to registration as
herein provided who shall have at-
tained their 21st birthday and who
shall not have attained their 31st
birthday on or before the day set for
the registration, and all persons so
registering shall be and remain sub-
ject to draft into the forces hereby
authorized, unless exempted or excused
therefrom as in this act provided; pro-
vided further, that in the execution
of this act, and all persons so regis-
tering shall be and remain sub-
ject to registration as herein provided

may by mail under regulations to be
prescribed by the President.

hereby authorized to utilize the service
of any or all departments and any or

States and of the several states, terri-
tories and the District of Columbia,
and subdivisions thereof, in the ex-
ecution of this act, and all officers,
agents and subdivisions thereof, and
agents of the United States and of the
several states, territories and subdivi-
sions thereof, and of the District of
Columbia and all persons designated or
appointed under regulations prescribed
by the President, whether such ap-
pointments are made by the President
himself or by the Governor or other
officer of any state or territory to per-
form any duty in the execution of this
act, are hereby required to perform
such duty as the President shall order
or direct, and all such officers and
agents and persons so designated or
appointed shall hereby have full
authority for all acts done by them in
the execution of this act by the direc-
tion of the President. Correspondence
in the execution of this act may be
carried in penalty envelopes bearing
the frank of the War Department.
Any persons charged as herein pro-
vided with the duty of carrying into ef-
fect any of the provisions of this act or
the regulations made or directions given
thereunder, who shall fail or neglect to
perform such duty; and any person

act, regulations, or directions, who

having jurisdiction thereof, be pun-
ished by imprisonment for not more
than one year, or, if subject to mili-
tary law, shall be tried by court mar-
tal and suffer the punishment as a
court martial may direct.

Now, therefore, I Woodrow Wilson,
President of the United States, do call
upon the Governor of each of the sever-
al states and territories, the Board of
Commissioners of the District of Co-
lumbia and all officers and agents of
the several states and territories, of
the District of Columbia, and of the
counties and municipalities therein to
perform certain duties in the execu-
tion of the foregoing law, which du-
ties will be communicated to them di-
rectly in regulations of given date
herewith.

notice to all persons subject to regis-
tration in the several states and in the
District of Columbia in accordance
with the above law, that the time and

Roberts-Littlepage

The wedding of Herbert L. Roberts,
of Los Gatos, California, and Miss
Ruth C. Littlepage, of Mosier, took
place on Thursday evening, May 24, at
the home of the bride's parents, Mr. and
Mrs. C. J. Littlepage.

The house was decorated with pink
and white apple blossoms which made
a lovely bower where the youthful
couple plighted their troth. Rev. Frank
Maples, of The Dalles, pronounced
them man and wife, using an
exceptionally beautiful ring ceremony.
The wedding took place on the
groom's birthday and a dinner for the
occasion was served during the day.

Mrs. H. Nielsen, sister of the bride,
and Mr. Nielsen were the attendants.
The bride's dress was of imported
organdy and net, fashioned in simple,
girlish style and veil caught with a
pearl band around the head. Many
exquisite gifts were displayed.

After the ceremony, about 40 guests
braved the stormy evening to wish the
couple a long and happy life. A buffet
lunch was served. Mrs. Roberts has
many friends in Mosier who will miss
her but who join in congratulating the
bridegroom on securing the girl of his
choice.

Mr. and Mrs. Roberts left on the
8:30 train Friday morning for Los
Gatos, California, their future home.

STATE FAIR OFFERS GOVERNMENT AID

With the view of aiding the govern-
ment in its campaign to increase crop
production, and reduce the enormous
food waste, A. H. Lea, secretary of
the State Fair Board has written to
Secretary of Agriculture Houston,
offering the services of the State Fair
as a "Food Training Camp." The
Government, it is believed, will co-
operate in the movement by furnishing
lecturers, demonstrations and exhibits.

If the war is to be won working
America must furnish the allies "Food
Preparedness," said Secretary Lea in
commenting on the movement. Pri-
marily the object of the State Fair is
educational, and the Fair Board feels
that it can render material service in
the nation-wide campaign for the in-
crease of food production, and the
elimination of needless waste. Mili-
tary camps are being established
throughout the country to train men in
military science, and the Board pro-
poses to call the great rank and file of
food producers and users into a central
training camp after the harvest season
for a brief course of instruction in ef-
ficient methods for food production and
conservation.

To make the course as instructive as
possible the Board is urging more
breeders of pure bred livestock than
ever before to exhibit that the farmers
may purchase and raise types of stock
that will best meet the nation's de-
mand for more meat, milk, butter,
cheese, leather, wool and horse power.
Manufacturers of farm machinery are
being asked to show their latest models
that the farmers may avail themselves
of machinery that will produce a max-
imum crop with a minimum cost and
effort. The State Fair is being combed
for superior specimens of grains, vegeta-
bles, fruits, corn and forage crops that
are best suited to its soil and climate.
Since the elimination of waste is a
material part of the campaign, ar-
rangements are being made to offer a
series of demonstrations and lectures
by food specialists in the woman's
department. The children are also
being enlisted in the cause and in con-
nection with their exhibits, instructive
demonstrations will be conducted.

O. W. R. & N. CO. BOOSTS WAR BONDS

The following recommendations went
out last week from the offices of R. S.
Lovett, president of the U. P. system,
and J. D. Farrell, president of the O.
W. R. & N. Co.:

All officials, Agents and other Em-
ployees of Union Pacific System:

I trust every man and woman in our
organization intends as a patriotic
duty to subscribe to the three and one-
half percent Liberty Loan Bonds about
to be issued by the Government to
carry on the war. The loan must be
made a conspicuous success and to en-
able every employee to participate in
the patriotic purpose, the company will
upon the request of any such employee
make subscriptions for his or her ac-
count to an amount of the bonds not
exceeding 25 per cent of the employee's
yearly salary and will advance the
whole subscription price, charging in-
terest at the rate of three and one-half
per cent per annum, being the same
rate borne by the bonds, as security for
its reimbursement. The amount ad-
vanced by the company will be payable
by the employee so long as in the ser-
vice with a minimum of five dollars
per month, such installments to be de-
ducted from the wage payments.

The bonds are to be in denomina-
tions of \$50 and multiples thereof.
Employees desiring to subscribe should
notify their superior officer who will
furnish form of contract necessary for
them to execute. It is earnestly hoped
that employees will not limit their sub-
scription merely to amount advanced
by the company, but in addition will
subscribe to the rest of any funds
they may have available.

The Union Pacific has itself sub-
scribed for \$5,000,000 of these bonds,
and it is hoped that every one associ-
ated with it in any capacity will join
in supplementing this amount.
Employees referred to are employees
of Union Pacific R. R. Co., Oregon
Short Line R. R. Co., Oregon-Wash-
ington R. R. Co., and also employees of
any subsidiary corporation all of which
stock is owned by any of such com-
panies.

SUBSCRIPTION RAISED FOR ARMY Y. M. C. A.

In the national campaign being
carried on in the interests of the Army
Y. M. C. A., Wasco county's share
was \$2000 and active committees are
busy throughout this county which has
sent many of her young men to the
front who will receive the benefits of
the funds being raised for their con-
venience while in the field of service.
The Mosier district has more than
raised the quota allotted to this com-
munity, \$150, and subscriptions are
promised for still more. Four sevenths
of the amount raised will be sent to
the state headquarters and the balance
retained in the local bank to be used
for Wasco county boys. The amount
raised locally above the stipulated
sum will be used for local young men
who may need special medical atten-
tion or other care while away from home.

Recruit Pads Feet

Trying to boost his 5 feet 3 inches
up to the standard required for mili-
tary service, Willis Hartman, a patri-
otic youth from Glenwood, near Al-
bany, New York, tried a form of
elevation that almost got him the
United States Marine Corps recruiting
officers. Willis went through without
a flaw until he stripped to be examined
for scars when the doctor discovered
several layers of adhesive plaster and
a small cotton pad under each heel
that gave a "French-heel effect" to
the would-be warrior. When it was
removed, he lacked one inch of meet-
ing the required height.

"I don't want to be a slacker, so I
tried my best to enlist," said Hart-
man, when he was rejected. "The
scheme would be all right, too," he
added, "if I could only make it stick."
