"That's why we wanted your word you were on the level before we told you," Peter explained.

"It was good of you to come over so "I see," said the woman in a gentler "Very well," Quoin responded with

Lydia's adventure in the fog. "It was list will have not only the names of concerting. With arms almost about "Truth to tell, for the fun of it," said your necklace in the box, the real thing, "But," Betty argued, bewildered, "I "Wait. I think I can make every-

> tempestuously into the drawing room necklace. After I got outside I opened of the Beggarstaff suite-where Peter | the box up on my own account, partly Traft uprose from comfort in a wing to satisfy myself about the necklace, partly to have a look at that card. It

was a knave of diamonds." Betty swung back from the window. But what can that mean?" "It's a question I think Craven can answer-if he will. Anyhow, we're safe n assuming the card was intended for him, and certainly it must have had nebody, Peter," Betty declared with some significance. That, if you'll perderstanding between two known black-

legs and-Thaddeus Craven." "But why didn't you tell me this at the time?" "Because, very naturally, I wasn't at

all sure you wanted to be told." "If you'll please explain-" "Quoin means," Peter interrupted, you've been such a consistent performer, he hesitated to do anything calculated to cramp your style, if this thing was what it looked like-a frame-

up between you and Tad to beat the customs." "But what right had you to jump at any such conclusion?" Betty insisted. "Because I knew you knew real gems from false-and the necklace you had

shown us that very morning was counterfeit." "It isn't possible!" Betty protested

hotly. "I saw it myself." "So did I; and was interested enough -well, you'll recall I asked to see them in a strong light? You were so satiss. Merrilees lounged more deeply in fied you never looked twice. But I was positive then that they were false, and even more positive later, when I saw the real collar in the puzzle box." "Still I don't understand." "If you remember, Craven took his

time about fetching that box from the

purser. It was a good ten minutes before he got back. He had time and to spare to open your despatch box and ne-duplicate key you knew nothing about, of course, "Look here-" Peter began excitedy, then checked and turned sullen. "Well?" Mrs. Beggarstaff demanded,

while Betty and Quoin obliged the young man by looking their curiosity. "Oh, I don't like to say it," he muttered unwillingly. "You've made out too strong a case against him as it is -and I've always had a sneaking fond-

ness for old Tad." (TO BE CONTINUED.)

KEEP CANDY FROM CHILDREN Sweets Cause Early Decay of Teeth, Is Assertion Made by Dr. Harvey W. Wiley.

"Rear your children on whole wheat, skim milk and the Bicornmeal, ble," said Dr. Harvey W. Wiley, chemist and food expert, to the mothers who attended his lecture at the Forsythe eating too much brand and too little bran," he added. "One flour is just as good as another and it is ridiculous to pay an extra

dollar or two to get some particular

vitalized and demineralized food prod-

uct. They don't have wholesome foods on sale at the grocery stores because no one asks for them. "There is only one food that you can live upon alone and that is milk. milk you can live forever. We have failed to realize what a splendid food can be found in Indian corn meal. We

do not know how to live. "Women are blindly following a viclous fashion in wearing high-heeled stilts that ruin their health and make them unable to become mothers. The white bread, cake and ice cream, and then expect their children to be born healthy.

"Candy never should be fed to chilfren. The child does not have a sweet tooth until it is acquired by being fed sweet stuffs. No wonder its teeth decay and fall out before maturity. Some women use malts and make every effort to put on flesh before motherhood. That is bad."

No Need for Delay.

Johany was invited to a party, but that case, and saw a paste necklace to Johnny: "If you are a good boy while I am here I will buy you a base-"There!" Mrs. Beggarstaff exclaimed ball," whereupon Johnny replied: "You don't need to wait. You can buy it The face of this last suddenly as- right away. Just think how good I
